# Schedule of materials

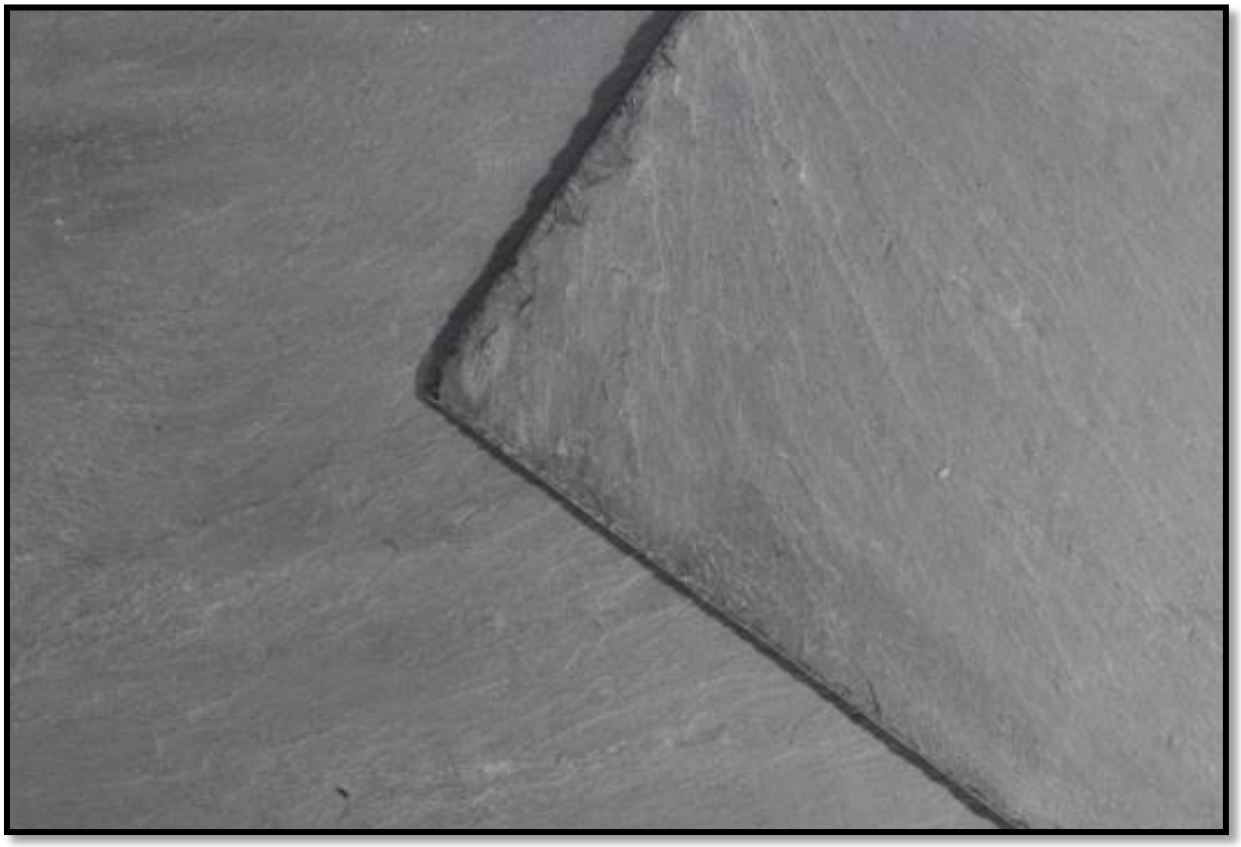
## 1. External elevations – grey render

The existing property includes an inconsistent, mixed palette of red/brown bricks. The approved application included grey render, which would match the wider streetscene and some of the properties within the neighbourhood.

**One coat Ready mixed Render – Manufacturer: Tarmac**

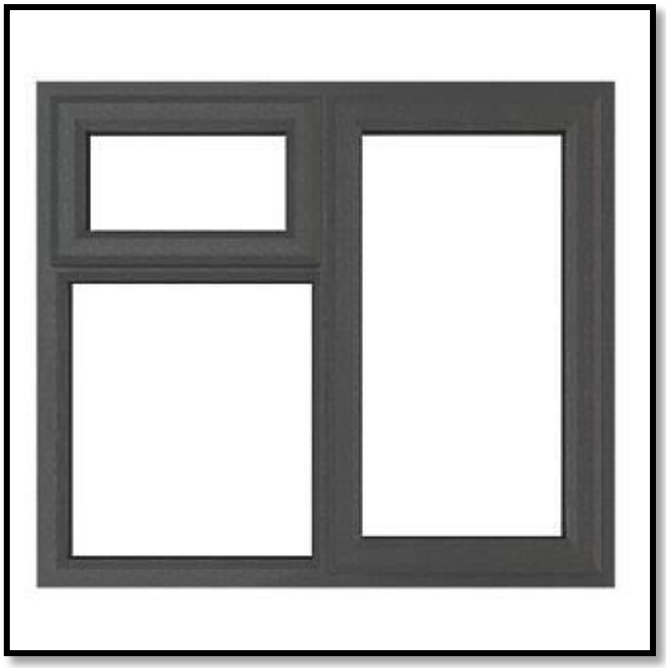
2. Roof – grey slate

**Siga 62M; Blue Grey – Manufacturer: SIGA Natural Slate (technical specs submitted)**



3. Fenestration:

**Crystal Right-Hand Opening Double-Glazed Casement Anthracite Grey UPVC**



**Crystal top Opening Double-Glazed Anthracite Grey UPVC**

**Crystal 4-Panel 2-Light LH Anthracite Grey Composite Front Door**

**Anthracite Grey uPVC Bifold Doors – Manufacturer: Flying Doors**
