

5 Highway Network

5.1 Overview

- 5.1.1 Kings Meadow View is located on the north-eastern edge of Reading Town Centre, along Forbury Road, Kenavon Drive and the associated roundabout. The local highway network is shown in **Figure 5.1**.

5.2 Local Highway Network

- 5.2.1 The section of Forbury Road on which the site is situated north of the roundabout is part of the IDR (A329). It is a 30mph dual-carriageway median separating the directions. Forbury Road provides access to the town centre, Caversham, and in turn, the IDR provides access to the A33 and then M4.
- 5.2.2 Kenavon Drive is a single carriageway with a speed limit of 30mph. Kenavon Drive led to another section of Forbury Retail Park and residential developments.
- 5.2.3 Forbury Road / Kenavon Drive roundabout is situated on the south edge of the site with the previous two roads along with the continuation of Forbury Road that connects to Kings Road and Watlington Street.

5.3 Personal Injury Collision Data

- 5.3.1 Stantec has obtained Personal Injury Collision (PIC) data for the study area illustrated in **Figure 5.2**. This corresponds with the local highway network surrounding the proposed development at Kings Meadow View. The PIC data has been obtained from the Crashmap website has been carried out for the most recent 5-year period of available data.
