

Bin store proposed at 20 Portman Road Reading

Globel Metal Bin Store

The walls are made of 0.3 mm **thick sheet steel** which is not only **rust and scratch-resistant** but looks elegant while storing **three or two standard** wheelie bins depending on your choice of model.

There will be 3 of these to the rear of the premises

Red box shows space for the bin store

Design insights

- Perfectly fits 3 or 2 standard (depending on model) wheelie bins inside
- Durable and low maintenance building
- High grade 0.3 mm steel and stunning anthracite grey paint finish
- Galvanised steel frame and base rails
- Double opening doors for ease of access
- Stable pneumatic springs to open and close the lid
- Rodent proof – metal structure
