Rosaceae	Prunus	Pandora	1		9%	2%
Rosaceae	Malus	Evereste	3		14%	7%
Rosaceae	Amelanchier	lamarckii	2			5%
Rosaceae	Amelanchier	Robin hill'	4			9%
Fabaceae	Cercis	siliquastrum	1	2%	2%	2%
			43	100%	100%	100%

Please note: The respite centre have very specific requirements for the tree within the communal courtyard, and the Prunus Pandora was deemed the most appropriate when reviewed by the care staff. We understand Prunus is over-represented within the Borough but hope that an exception can be made for this one tree.
