Re: Consultation on Planning Application

Application Number: 230890

Application Type: Householder

Address: 5 Wealden Way Reading RG30 6DA

Proposal: Front porch extension and associated landscaping.

Proposed works will result in the loss of access to the garage, however submitted proposed plan illustrates 2 vehicles parked on the drive, this therefore complies with the Councils current adopted standards.

There are no Transport objections to this application. The appropriate level of on site parking is being retained. There are no changes to the existing vehicle crossing from Wealden Way.
