

**TOWN AND COUNTRY PLANNING ACT 1990
PLANNING AND COMPENSATION ACT 1991
THE TOWN & COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015**

APPLICATION FOR FULL PLANNING PERMISSION

To: Design Work Studios Ltd
Scammell House
High Street
Ascot
SL5 7JF

Application No: 221644
Application type: Full Planning Approval

Applicant: Mr Thomas Luke

READING BOROUGH COUNCIL as Local Planning Authority **GRANT FULL** planning permission for the following development in accordance with the plans and supporting information submitted in connection with this application.

Proposal: Erection of a new dwellinghouse with associated landscaping, following the demolition of the existing house

At: Blewgarth The Warren Caversham Reading RG4 7TH

Subject to such conditions and for such reasons as may be attached

**OTHER STATUTORY CONSENTS MAY BE REQUIRED
PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE**

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

Application At: Blewgarth The Warren Caversham Reading RG4 7TH

Application No: 221644

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

REASON: In pursuance of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004) in order to prevent an accumulation of unimplemented planning permissions.

2. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans and documents:

Drawing No:

Arboricultural Impact Assessment 3 (AIA3) version 2, BPC Ref: 20807 from BUCKS PLANT CARE LTD ARBORICULTURAL CONSULTANCY SERVICE, received 16 January 2023

Received 16th January 2023

412 - Proposed South-East Elevation

411 - Proposed South West Elevation

214 - Proposed Roof Plan

212 - Proposed First Floor Plan

211 - Proposed ground Floor Plan

102 - Block Plan

101 - Location Plan

Received 3rd November 2022

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

3. The materials to be used in the construction of the external surfaces of this development shall be as specified on the plans and/or application forms unless otherwise agreed in writing with the Local Planning Authority.

REASON: In the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

4. **[Pre-commencement]** Prior to the commencement of works, details of biodiversity enhancements, to include a minimum of one universal nest brick and one bat brick/tile built into the new dwelling and native and wildlife friendly landscaping (including gaps at the bases of fences to allow hedgehogs to traverse through the gardens), shall be submitted to and approved in writing by the council. The biodiversity enhancements shall thereafter be installed as approved and prior to occupation of the development a letter report from a suitably qualified ecologist with photos of the bricks in situ shall be submitted to and approved in writing by the council.

REASON: To incorporate biodiversity in and around developments in accordance with Policy EN12 of the Reading Borough Local Plan (2019).

5. No new exterior lighting is to be installed without the prior written permission of the local planning authority.

REASON: To limit the impact of light pollution from artificial light on nature conservation in accordance with paragraph 185 of the NPPF and EN11 and EN12 of the Reading Borough Local Plan (2019).

6. No construction, demolition or associated deliveries shall take place outside the hours of 0800hrs to 1800hrs Mondays to Fridays, and 0800hrs to 1300hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior written approval from the Local Planning Authority.

REASON: In order to protect occupiers of nearby properties from unreasonable disturbance from works connected with implementing this permission in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

7. The measures within the approved Construction Method Statement received on 3rd November 2022 shall be adhered to throughout the whole of the construction period unless otherwise agreed in writing by the Local Planning Authority.

REASON: In the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policy CC8 and TR3 of the Reading Borough Local Plan 2019.

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

8. The dwelling hereby permitted shall not be occupied until all vehicle parking space(s) have been provided in accordance with the plans hereby approved. The space(s) shall be kept available for parking at all times thereafter.

REASON: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

9. No dwelling hereby permitted shall be occupied until the bicycle parking facility for that dwelling/building has been provided in accordance with the plans hereby approved. The facility shall be kept available for bicycle parking at all times thereafter.

REASON: To encourage travel by sustainable alternatives to driving a motorcar in accordance with Policy TR1 and TR5 of the Reading local Plan 2019.

10. Prior to first occupation of the development hereby approved, the refuse and recycling storage facility shall be implemented fully in accordance with those details shown on the approved plans and thereafter retained for use by occupiers of the dwelling/building at all times.

REASON: In the interests of the visual amenity of the area and to ensure that bins can be easily accessed when required in accordance with Policy CC7 of the Reading Local Plan 2019.

11. **[Pre-commencement]** No development shall commence on site until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating that the dwellings hereby permitted have achieved a minimum of a 19% improvement in the dwelling emission rate over the target emission rate as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition), and built to the higher water efficiency standard under Regulation 36(3). Such evidence shall be in the form of a 'design stage' Standard Assessment Procedure (SAP), produced by an accredited energy assessor.

REASON: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policy CC2 and H5 of the Reading Borough Local Plan 2019.

12. The development hereby permitted shall not be occupied until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating that the dwellings hereby permitted have achieved a minimum of a 19% improvement in the dwelling emission rate over the target emission rate as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition), and built to the higher water efficiency

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

standard under Regulation 36(3). Such evidence shall be in the form of an 'As Built' Standard Assessment Procedure (SAP), produced by an accredited energy assessor.

REASON: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policy CC2 and H5 of the Reading Borough Local Plan 2019.

13. [Pre-commencement] Risk Assessment

a) The development hereby approved shall not be commenced until a site-specific land gas risk assessment in accordance with current guidance and a detailed land gas site investigation as necessary has been carried out by a competent person to fully and effectively characterise the nature and extent of land gas and its implications for the development hereby approved.

Remediation Scheme

b) The development hereby approved shall not be commenced until a remediation scheme demonstrating how the development is to be protected against the possibility of land gas in accordance with the findings of the above risk assessment, has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be fully implemented and completed as approved before the development is first occupied and those measures incorporated into the development shall thereafter be retained as approved at all times thereafter.

Implementation of Approved Remediation Scheme

c) No part of the development hereby approved shall be first occupied until a validation report by an independent assessor demonstrating the remediation has been carried out fully in accordance with the approved scheme has been submitted to and approved by the Local Planning Authority.

REASON: To ensure the development is suitable for its end use and the wider environment and does not create undue risks to occupiers of the site or surrounding areas in accordance with Policy EN16 of the Reading local Plan 2019.

14. Protective measures, including fencing, ground protection, supervision and working procedures shall be carried out in accordance with *Arboricultural Impact Assessment 3 (AIA3) version 2, BPC Ref: 20807 from BUCKS PLANT CARE LTD ARBORICULTURAL CONSULTANCY SERVICE, received 16 January 2023*. Any deviation from the works prescribed or methods agreed in the report will require prior written approval from the Local Planning Authority.

REASON: In order to ensure that reasonable measures are taken to safeguard trees in the interests of local amenity and the enhancement of the development itself in accordance with Policy EN14 of the Reading Borough Local Plan 2019.

15. The hard and soft landscaping of the development hereby permitted shall be carried out, in accordance with the approved landscaping plans and documents. The soft landscaping shall take place no later than during the first planting season following the date when the development hereby permitted is ready for occupation or in

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

accordance with a timetable agreed in writing with the Local Planning Authority. Any trees or plants which, within a period of 5 years from the date of planting, die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, to be agreed in writing by the Local Planning Authority

REASON: In order to ensure the satisfactory implementation of the landscaping hereby approved in accordance with Policy CC7, EN12 and EN14 of the Reading Borough Local Plan 2019.

INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.
2. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact RBC Building Control on Building.control@reading.gov.uk OR telephone 0118 9372449 9.00am to 1.00pm Monday to Friday
3. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.
4. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:
<https://www.gov.uk/guidance/party-wall-etc-act-1996-guidance>
5. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.
ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

Borough of Reading”. The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council’s website.

6. The Council's Highways section should be contacted at 19 Bennet Road, Reading, RG2 0QX, telephone: 0118 937 2138, to agree the access construction details and to grant a licence before any work is carried out within the highway. A formal application should be made allowing at least 4 week’s notice to obtain details of underground services on the applicants` behalf.

7. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is (Officer - INSERT IF NIL CHARGE/CHARGEABLE/NOT APPLICABLE). If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments.

For more information go to:

http://www.reading.gov.uk/media/2791/Community-Infrastructure-Levy-Advice-to-Applicants/pdf/CIL_Advice_to_Applicants.pdf

8. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

9. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

Date: 20th January 2023

AA
Assistant Director of Planning, Transport and
Public Protection Services

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
