Dear Sir, Madam,

Subject: Proposed 5G Telecommunications Installation for Signal Infrastructure Limited UK

Town and Country Planning (General Permitted Development) (England) Order 2016

Proposed development at: ALL HALLOWS ROAD, CAVERSHAM PARK, READING, RG4 5LP

National Grid Reference for this site E: 472874 N: 175231

I give notice that the agent on behalf Signal Infrastructure Limited UK will be applying to the relevant local planning authority as below under Part 16 Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2016 for its determination as to whether the prior approval of the authority will be required to the siting and appearance of:

Proposed telecommunications installation: Proposed monopole and additional ancillary equipment cabinets and associated ancillary works.

The application and accompanying plans shall be available for public inspection at the offices of the local planning authority during usual office hours (in compliance with requirement of GDPO).

Please note that increasingly most if not all local planning authorities provide details of applications they have received are available to view on the council's website.

Proposed telecommunications installation: Proposed 15m high 'slim line' phase 9 monopole c/w wraparound cabinet at base, 3no. additional ancillary equipment cabinets and associated ancillary works.

Any individual and organisation wishing to make representations about the siting and appearance of the proposed development may do so in writing to the Local Planning Authority at the above address any representations must be received no later than; 14 days after the date below.

SIGNED: *7 Gallivan*

ON BEHALF OF: Signal Infrastructure Limited UK
