

GEOSHIELD

Verification Certificate

Date: 22 June 2021

Fastglobe

Green Park Station
Smallmead Road
Reading
RG30 3UR

The documentation in this handover package shows that the installation of the substructure Gas Membrane and ancillaries was installed to specification.

Verified in accordance with BS 8485:2015+A1:2019 and CIRIA 735.

All areas were verified, and remediation issues corrected.
