CONDITIONS & REASONS

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date on which the permission was granted.
Reason: to prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.
2. No vehicle repairs or associated operations shall be carried out on the application site other than between the hours of 0800 to 1800 on Mondays to Fridays, and between the hours of 0800 to 1300 on Saturdays. There shall be no vehicle repairs or associated operations on Sundays or public holidays.
Reason: In the interests of the amenities of local residents and the neighbourhood.

RBCS Policy CS34 - Pollution and water resources.

3. The application site shall not contain more than two car service bays; and, notwithstanding the Town and Country Planning (Use Classes) Order 1987 (as amended), the application site shall not be used for any other use (including those within the same B2 use class) other than for the repair and maintenance of vehicles.
Reason: In order so that the local planning authority may properly consider the merits of such an alternative use and control the intensity of use.

Core Strategy Policy CS24 Car/cycle parking

Core Strategy Policy CS34 - Pollution and water resources

4. Vehicle parking shall be provided in accordance with the approved plans; and shall thereafter be retained in accordance with the approved layout.
Reason: To ensure that the development is provided with adequate parking to reduce the likelihood of roadside parking which could be a danger to other road users.

RBCS Policy CS24 - Car/cycle parking

5. The permission relates only to the following plans and drawings:
 - MC/1387/01B General arrangement (received 04/08/11)
 - A4 sheet Block Plan (received 08/01/12)Reason: to clarify which plans have been approved.

INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans

and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

2. In reaching the above decision, the Local Planning Authority has assessed this application for consent against the following policies and found the application acceptable for the following reasons:

Reading Borough Local Plan (1998) (Saved Policies):

TRN11B Development and traffic: The development would have an acceptable impact on the highway.

CUD7 New development in conservation areas: The development would preserve the character of the conservation area.

CUD14 Standards of Design in Development: The development would maintain the character and appearance of the area.

Reading Borough Local Development Framework Adopted Core Strategy (2008):

CS7 Design and the Public Realm: The development would maintain the character and appearance of the area.

CS13 Impact of Employment Development: The impacts of the development would be adequately mitigated.

CS24 Car/Cycle parking: Adequate parking would be provided.

CS33 Protection and Enhancement of the Historic Environment: The historic environment will be preserved by the development

CS34 Pollution and Water Resources: The development would not be damaging to the environment; the development would not be subject to undue levels of pollution.

Reading Borough LDF Site and Detailed Policies Document:

DM4 Safeguarding Amenity: Neighbouring amenities would not be significantly harmed.

DM12 Access, Traffic and Highway-Related Matters: The development is acceptable in respect of highway safety, congestion and the surrounding environment.

NOTES

APPEALS

- (1) If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990. If this is a householder application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder application) then you must do so within 6 months of the date of this notice. Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, 0117 372 8000 or online at www.planningportal.gov.uk/pes. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.
- (2) If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- (3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (a) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely sections 70 and 72(1) of the Act.

BERKSHIRE ACT 1986 - Section 32

- (1) Except as provided in subsection (a) below, where plans for the erection or extension of a building are deposited with a district council in accordance with building regulations, the district council shall reject the plans unless, after consultation with the fire authority, they are satisfied that the plans show -
 - (a) That there will be adequate means of access for the fire brigade to the building or, as the case may be, to the building as extended, And
 - (b) That the building or, as the case may be, the extension of the building will not render inadequate existing means of access for the fire brigade to a neighbouring building.
- (2) No requirement concerning means of access to a building or to a neighbouring building shall be made under this section in the case of a building to be erected or extended in pursuance of a planning permission granted upon an application made under the Act of 1990, unless notice of the provisions of this section is endorsed on or accompanies the planning permission.
- (3) Section 16(7) and (8) and section 36(2) to (6) of the Building Act 1984 (notice of rejection or passing of plans and enforcement of requirements) shall apply as if this section were a section of the said Act 1984.
- (4) Any person aggrieved by the action of the district council in rejecting plans under this section, may appeal to a magistrates' court.
- (5) In this section references to the adequacy or inadequacy of means of access for the fire brigade shall be construed as references to a means of access adequate or, as the case may be, inadequate for use for fire-fighting purposes by members of one or more fire brigades and their appliances.

SECTION 76 TOWN AND COUNTRY PLANNING ACT 1990

- 76-(1) This section applies when planning permission is granted for any development that will result in the provision -
- (a) Of a building or premises to which section 4 of the Chronically Sick and Disabled Persons Act 1970 applies (buildings or premises to which the public are to be admitted whether on payment or otherwise);
 - (b) Of any of the following (being in each case, premises in which persons are employed to work) -
 - (i) Office premises, shop premises and railway premises to which the Offices, Shops and Railway Premises Act 1963 applies;
 - (ii) Premises which are deemed to be such premises for the purposes of that Act; or
 - (iii) Factories as defined by section 175 of the Factories Act 1961,
 - (c) Of a building intended for the purposes of a university college or college, or of a school or hall of a university;
 - (d) Of a building intended for the purposes of an institution within the PCFC funding sector; or
 - (e) Of a building intended for the purposes of a school or an institution which provides higher education or further education (or both) and is maintained or assisted by a local education authority.
- (2) The local planning authority granting the planning permission shall draw the attention of the person to whom the permission is granted -
- (a) In the case of such a building or premises as are mentioned in subsection (1)(a)
 - (i) To sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970; and
 - (ii) To the Code of Practice for Access of the Disabled to Buildings (British Standards Institution code of practice BS 5810: 1979) or any prescribed document replacing that code,
 - (b) In the case of such premises as are mentioned in subsection (1)(b), to sections 7 and 8A of that Act and to that code or any such prescribed document replacing it;
 - (c) In the case of such a building as is mentioned in subsection (1)(c), (d) or (e), to sections 7 and 8 of that Act and to Design Note 18 "Access for Disabled People to Educational Buildings" published in 1984 on behalf of the Secretary of State, or any prescribed document replacing that note.
- (3) Expressions used in subsection (1)(d) and (e) and in the Education Act 1944 have the same meanings as in that Act.

HAZARDOUS WASTE AND MATERIALS

Your attention is drawn to the possibility that development of land or redevelopment of properties will give rise to hazardous material probably in the form of contaminated soil or building construction waste (e.g. asbestos lagging around pipe work) needing disposal. Under the requirements of the Control of Pollution Act 1974 and regulations made there under it is an offence if such material is not deposited in appropriate sites licensed by the County Council acting in their capacity as Waste Disposal Authorities and additional procedures may have to be followed. Details of the sites in Berkshire and advice on suitability of wastes involved and procedures necessary can be obtained from Environment Agency, Isis House, Howbery Park, Wallingford, Oxon, OX10 8BD or 0870 8506506. There may also be occasions when hazardous substances such as gas from former landfill sites could be a problem. The County Surveyor's Waste Management Group have agreed to list and map all such sites and copies will be available from the above address.

BUILDING REGULATIONS

This planning permission does not give approval under the Building Regulations. Before any works are commenced you should check with the Building Control Section of the Planning Department whether any approval is required under the Building Regulations.
