

This document is © Falconer Chester Hall Limited.
All drawing measurements shall not be obtained by scaling. Any discrepancies on this document to be immediately reported to the Architect. Verify all dimensions and levels prior to construction. This Document shall be read in conjunction with related documents, specifications and associated models.

The extent of retained building is based on assumption only in the absence of available survey information. Measured survey is required to verify extent of existing building and existing floor level. Internal level change may be required to suit existing floor levels.

Internal measured survey of No 146 Friar Street is required.
