Town and Country Planning (Development Management Procedure)(England) Order 2015

Please ensure that you display the enclosed site notice within 7 days. The notice should be clearly displayed on the land or buildings to which the planning application relates so that it can be seen by the public. If you receive more than one site notice please display these at appropriate intervals around the boundary of the site adjacent to the points of access. (This is a requirement of the legislation)

Please fill in the expiry date for comments on the notice that must be 21 days from the date that the notice is displayed.

The notice must be displayed for 21 days. Failure to display the notice promptly will delay determination of your application. Please contact the Planning department if notices are defaced or removed before the end of the 21 day period, and a replacement will be sent.

When the Planning Officer visits the site, the notice will be checked to ensure that it is properly displayed and clearly visible to members of the public using roads and footpaths. If the officer is not satisfied, you may have to wait a lot longer for the decision on your application.

When you have displayed the notice please either complete the bottom of this form and return it as soon as possible, with a photo of the site notice in place, email to Planning.Administration@reading.gov.uk or post to: Planning, Reading Borough Council, Civic Centre, Bridge Street, Reading RG1 2LJ.
