Dear Mr. Stone

Re: Request to discharge Condition 11 (Contamination Validation Report) of Planning Permission 05/00548/OUT in Respect of Phase 2 of Kennet Island, Reading.
Application Ref: 12/00572/APPCON

I refer to the above, your letter dated 23rd May 2012 and to the accompanying 'Landgas Mitigation Measures Validation Report (May 2012)' as prepared by WYG Environment and as received by the local planning authority on 24th May 2012.

Following consultation with this Council's Environmental Protection Team, I confirm that the above report is acceptable and satisfies the requirements of Condition 11 of planning permission 05/00548/OUT . Therefore, I confirm that this condition is hereby discharged in respect of Phase 2 of Kennet Island.

If there are any points in this letter that require further clarification please do not hesitate to contact me.

Yours sincerely,

Andrew Chugg
Principal Planning Officer (South/West Area Team)
