Dear Mr. Chodkowski,

HIGHWAYS ACT 1980 - Crane / Mobile Lifting Platform Permit

Applicant: **Berkeley Homes Ltd**
Hire Company: **Bennetts Tower Crane Professionals**
Address for Works: **Kenavon Drive jct Forbury Road - Development**
Description of works: **Tower Crane to oversail Public Highway**
Period of Works: **12th July 2021 - 31st March 2022, Only**

This permit has been issued by Reading Borough Council as consent to oversail and/or operate a crane, or other mechanical lifting equipment, as described above, from and/or over Highway land. It is an indication that Reading Borough Council is satisfied by the applicant's proposals to ensure the safety of the public during the operation.

This permit does not:

- Provide consent for any operation on, or over, non-Highway land;
- Indicate approval or suitability of the equipment that the applicant intends to use;
- Indicate that the condition of the Highway is suitable for the loadings that will be applied by the crane/mechanical lifting equipment or the loads to be lifted;
- Negate the need for any other approvals pertaining to the operations, for example, consent for the operation of portable traffic signals/parking suspensions/a road closure; or

- Provide exemption from local parking, waiting or access restrictions

Please ensure that a copy of this letter is retained on site, available for inspection. Should any aspect of the operation require deviation from that which has been permitted, including the duration of the works, please contact a member of the Street Works department (Network Management) at the earliest opportunity.

Yours Faithfully,

A handwritten signature in blue ink, appearing to read 'Luke Massey', is positioned above the printed name.

Luke Massey
Highway Works Co-ordinator
