Many thanks Tim, this looks good.

Are you/your client happy for this to be accessioned into the HER at this stage, or should we wait until it is submitted as a discharge of conditions application? Are you able to send through a shapefile of the trench so we can get it precisely mapped?

Many thanks,
Ed

Good afternoon Ed,

We have now finished the report on the evaluation trench that we dug at the above site. Please find attached a PDF of the report for your inspection.

Kind regards,
