**OTHER STATUTORY CONSENTS MAY BE REQUIRED
PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE**

Date: 27 July 2021

gru
Head of Planning, Development
& Regulatory Services

Application At: Land Adjacent 4 Camelford Close Reading RG2 8AW

Application No: 190705

Application type: Regulation 3 Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

REASON: In pursuance of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004) in order to prevent an accumulation of unimplemented planning permissions.

2. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans:

Drawing No: 104 - Proposed Site Plan

Drawing No: 105 - Proposed Floor Plans and Elevations

Drawing No: 106 - Proposed Sections

Drawing No: 107 - Proposed Section (received 10/05/19)

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

3. Further to the submitted site survey giving details of the existing ground levels no building/structure on any part of the development hereby permitted shall exceed 5 metres in height to the eaves and 8.9 metres in height to the ridge when measured from the original ground level (Newlyn Datum).

REASON: In order to protect views in and out of the development in the interests of visual amenity in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

4. No development shall commence beyond foundation level until a schedule of the materials to be used in the construction of the external surfaces of the development hereby permitted have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out and thereafter maintained in accordance with the details approved unless otherwise agreed in writing by the Local Planning Authority.

REASON: These details are required due to insufficient information being contained within this submission and in the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019

5. * No development shall commence on site until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating

Date: 27 July 2021

gru
Head of Planning, Development
& Regulatory Services

that all of the dwellings hereby permitted will achieve a minimum of a 35% improvement in the dwelling emission rate over the target emission rate, as defined in The Building Regulations for England Approved Document L1A: Conservation of Fuel and Power in New Dwellings (2013 edition) and commitment in writing that a S106 contribution will be made to the Local Authority to account for any remaining emissions. Such evidence shall be in the form of a 'Design Stage' Standard Assessment Procedure (SAP) Assessment, produced by an accredited energy assessor.

REASON: These details are required due to insufficient information being contained within this submission and in order to ensure that the development is carried out in accordance with sustainable building standards in accordance with Policy CC2 and H5 of the Reading Borough Local Plan 2019.

6. The development hereby permitted shall not be occupied until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating that all of the dwellings hereby permitted have achieved a minimum of a 35% improvement in the dwelling emission rate over the target emission rate, as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition) and a S106 contribution has been made to the Local Authority to account for any remaining emissions. Such evidence shall be in the form of an 'As Built' Standard Assessment Procedure (SAP) assessment, produced by an accredited energy assessor.

REASON: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policy CC2 and H5 of the Reading Borough Local Plan 2019.

7. Prior to first occupation/use of the building hereby approved, a scheme of hard and soft landscaping shall be submitted to and approved in writing by the Local Planning Authority. This scheme shall specify means of treatment for hard surfaced areas, means of enclosure including mammal gaps where appropriate, specify species, planting sizes, spacing and numbers of trees/shrubs to be planted (including replacement trees and tree pit specifications where appropriate, and must include a maintenance programme detailing all operations to be carried out in order to allow successful establishment of planting. Planting shall be carried out in accordance with the approved details in the first planting and seeding seasons following the occupation of the building(s) or in accordance with a timetable agreed in writing with the Local Planning Authority. Any trees or plants which, within a period of 5 years from the date of planting, die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, to be agreed in writing by the Local Planning Authority.

REASON: In the interest of ensuring that the landscaping of the development enhances the visual local environment and in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

Date: 27 July 2021

gru
Head of Planning, Development
& Regulatory Services

8. * No development shall commence on site (including demolition or preparatory works) until an Arboricultural Method Statement and Tree Protection Plan in accordance with the relevant recommendations of appropriate British Standards or other recognised Codes of Good Practice for all existing trees that are not shown as being removed on the approved drawings, both within and adjacent to the site, has been submitted to and been approved in writing by the Local Planning Authority. The development shall not be carried out other than in accordance with the approved Arboricultural Method Statement and Tree Protection Plan.

Reason: In order to ensure that appropriate protection is given to trees of amenity value within and adjacent to the site in accordance with Policy EN14 of the Reading Borough Local Plan 2019.

9. Prior to first occupation of the development hereby approved, a plan indicating the positions, design, materials and type of boundary treatment to be erected, shall be submitted to an approved in writing by the Local Planning Authority. Where appropriate the boundary treatment shall including the provision of mammal gaps. The boundary treatment shall be implanted in accordance with the approved plan before the development is occupied or otherwise in accordance with a timescale agreed in writing by the Local Planning Authority.

REASON: In order to protect the privacy of adjoining and future occupiers and in the interests of the visual amenities of the locality and local wildlife in accordance with Policy CC7 and EN12 of the Reading Borough Local Plan 2019.

10. No construction, demolition or associated deliveries shall take place outside the hours of [0800hrs to 1800hrs] Mondays to Fridays, and [0800hrs to 1300hrs] on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior written approval from the Local Planning Authority.

REASON: In order to protect occupiers of nearby properties from unreasonable disturbance from works connected with implementing this permission in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

11. * No development shall commence on site, including any works of demolition, until a site specific Construction Method Statement has been submitted to and been approved in writing by the Local Planning Authority. The Statement shall provide for:

- a) Space on site where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided;
- b) Location on site for storage of plant and materials used in constructing the development;
- c) The erection and maintenance (including removal of any graffiti or fly posters) of security hoarding around the site;
- d) Identification of any footpath closures or road closures needed during construction;
- e) Required wheel washing facilities on site;

Date: 27 July 2021

gru
Head of Planning, Development
& Regulatory Services

- f) A scheme for recycling waste resulting from the construction works.
- g) Measures for controlling the use of site lighting whether required for safe working or for security purposes;
- h) Required measures to control the emission of dust, dirt and other airborne pollutants during demolition and construction;
- i) Provisions to be made for the control of noise coming from the site during demolition and construction;
- j) Full details of pest control measures following any demolition required. Where necessary, capping of drains/sewers and baiting arrangements.

The measures within the approved Statement shall be adhered to throughout the demolition and construction period unless otherwise agreed in writing by the Local Planning Authority.

REASON: These details are required due to insufficient information being contained within this submission and in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policy CC8 and TR3 of the Reading Borough Local Plan 2019.

12. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

REASON: In the interests of air quality, the amenity of neighbours, and to promote more sustainable approaches to waste management in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

13. The dwelling(s)/building(s) hereby permitted shall not be occupied until all vehicle parking space(s) have been provided in accordance with the plans hereby approved. The space(s) shall be kept available for parking at all times thereafter.

REASON: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

14. No dwelling/building hereby permitted shall be occupied until the vehicle access serving it has been constructed in accordance with the plans hereby approved.

REASON: In the interests of road safety in accordance with Policy TR1 and TR3 of the Reading Local Plan 2019.

15. The cycle parking spaces shall be provided prior to first occupation and thereafter kept free of obstruction and retained available for the parking of cycles at all times.

REASON: In order to encourage travel by sustainable alternatives to private vehicle in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

Date: 27 July 2021

gru
Head of Planning, Development
& Regulatory Services

16. Notwithstanding the approved drawings, the development hereby permitted shall not be occupied or the approved use commence, whichever is the sooner, until details of refuse and recycling storage sufficient for the intended development has been submitted to and approved in writing by the Local Planning Authority. The approved details shall be fully implemented before first occupation or the use first commences, whichever is the sooner, and the areas of land so provided shall not be used for any purposes other than the storage (prior to disposal) or the collection of refuse and recycling and shall be thereafter retained and maintained as such, unless otherwise agreed in writing by the Local Planning Authority.

REASON: In the interests of general amenity, to ensure convenience of arrangements for refuse and recycling storage and collection and to ensure that no obstruction is caused on the adjoining highway, in the interest of highway safety and in accordance with Policy CC7 of the Reading Local Plan 2019.

INFORMATIVES

1. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

2. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted by * to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

4. A section 106 Agreement has been completed for this development. A copy of the S106 Legal Agreement is available on the Council's Public Register of Planning.

5. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached

Date: 27 July 2021

gru
Head of Planning, Development
& Regulatory Services

to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

6. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

7. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

8. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

<https://www.gov.uk/guidance/party-wall-etc-act-1996-guidance>

9. The Community Infrastructure Levy (CIL) is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is (NIL CHARGE) based on it being used for affordable housing.

For more information on claiming social housing relief go to:

http://www.reading.gov.uk/media/2791/Community-Infrastructure-Levy-Advice-to-Applicants/pdf/CIL_Advice_to_Applicants.pdf

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
