Dear Connie

TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)

Applicant: University of Reading

Location: Chancellors Building, Chancellors Way, University of Reading RG6 6DF

Proposal: Permanent retention of Chancellors Building and external re-painting (previously approved for a temporary period of 5 years - planning permission ref. 160574)

Application number: 210450

Further to our recent email exchange, on behalf of University of Reading, please accept this letter as formal notification that the university wishes to withdraw the current planning application ref. 210450.

Thank you to you and James Crosbie for your consideration of the additional time you have allowed for us to consider the best course of action.

We look forward to working with you very soon towards an acceptable suite of enhancements to Chancellors Building, which the Council will be happy to support either in terms of an extension to the temporary period or for permanent retention of the building.

Please do not hesitate to contact me should you require any further information.
