INFORMATIVES

1. This notice relates only to the changes to condition 2 of planning permission 160569. It shall only be read in the context of the substantive planning permission granted under reference number 160569, and is bound by all the conditions and obligations attached to that permission. That permission still stands and this notice (and any other notices issued under section 96a for this development) should be read together.

2. In reaching this decision, the local planning authority is satisfied that the changes proposed by this application do not constitute material changes to the approved planning permission.
