Photo 1. Taken from the opposite pavement, with the 1.9m high close boarded fence and hedging visible to the front.

Photo 2. From Osborne Road. Note, the proposed side extension starts 500mm from the right hand side of the existing first floor side bathroom window.

Photo 3. Taken from opposite number 41 Drayton Road. Due to the set back of the proposed two storey side extension being over 5m back from the front wall of the existing house, the extension would be barely visible from this position and would appear to be very subservient to the main dwelling.

Photo 4. Taken from within the garden looking towards Drayton Road standing in line with the proposed front wall of the extension.
