INFORMATIVES

1. The applicant is advised that as an application for prior approval under Class O, Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development) Order 2015, as amended by The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2015, this prior approval notice relates to the change of use of the building from Class B1(a) to C3 (dwellinghouses) only and no other use.
2. This prior approval relates only to the change of use of existing floor space and land. If there are any external alterations or extensions to the building, planning permission is required for these.
3. To minimise the disturbance by noise of future residential occupiers of the flats and its effect on neighbouring residents, residential accommodation must be designed and constructed or converted so as to achieve the insulation requirements set out in Building Regulations Approved Document E.
4. Where a proposal may have a negative impact on a watercourse, an assessment of the potential risks should be carried out. To obtain a permit the applicant will need to show that the development can proceed without harm and propose mitigation, compensation or enhancements where required.
5. The applicant should contact 03708 506 506 or consult the Environment Agency website to establish if separate consent will be required for the works they are proposing. Please see <http://www.environment-agency.gov.uk/business/topics/permitting/default.aspx>
6. With regard to water supply, this comes within the area covered by the South East Water Company. For your information the address to write to is - South East Water Company, Rocfort Road, Snodland, Kent, ME6 5AH, Tel: 01444-448200
