Application At: 12 Eldon Terrace Reading RG1 4DX

Application No: 200973

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

Reason: In pursuance of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004) in order to prevent an accumulation of unimplemented planning permissions.

2. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans:

15023-PL-30 Site Location Plan
As received 08/07/2020

15023-PL-48 Proposed Site Plan
15023-PL-49 Proposed Ground Floor Plan
15023-PL-49A Proposed Ground Floor Plan
15023-PL-50 Proposed First Floor Plan
15023-PL-50A Proposed First Floor Plan
15023-PL-51 Proposed Second Floor Plan
15023-PL-51A Proposed Second Floor Plan
15023-PL-52 Proposed North Elevation
15023-PL-53 Proposed South Elevation
15023-PL-54 Proposed East West Elevation and Section AA
As received 10/08/2020

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

3. No change to the unit mix (2 x 1-bedroom and 1 x 2-bedroom units) shall be made to the development hereby permitted without written approval from the Local Planning Authority.

Reason: In order to ensure that the proposed development provides an appropriate range of housing opportunities / dwelling types to meeting requirements for different groups, in accordance with Policy H2 of the Reading Borough Local Plan 2019.

Date: 3 August 2021

4. The following shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

- a). Sample panel of the facing stonework materials which demonstrates stone type, colour, texture, face bond, mortar mix and pointing, to be erected on site and maintained there during the course of construction;
- b). Samples and manufacturer's details of the roof materials;
- c). Plan and elevation drawings, with materials annotated, of all new windows at a minimum scale of 1:10;
- d). Plan and elevation drawings, with materials annotated, of all new doors at a minimum scale of 1:10;
- e). Manufacturer's details of the conservation type rooflights, fitted flush with or below the roof covering.

The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: In the interests of ensuring the design quality of the proposed development, to safeguard the character and appearance of the Eldon Square Conservation Area and to ensure that the proposals are appropriate to the setting of the special architectural and historic interest of the nearby listed buildings, in accordance with Policies CC7, EN1, EN3 and EN6 of the Reading Borough Local Plan 2019.

5. * No development shall commence on site, including any works of demolition, until a site specific Construction Method Statement has been submitted to and been approved in writing by the Local Planning Authority. The Statement shall provide for WHERE REQUIRED:

- a) Space on site where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided;
- b) Location on site for storage of plant and materials used in constructing the development;
- c) The erection and maintenance (including removal of any graffiti or fly posters) of security hoarding around the site;
- d) Identification of any footpath closures or road closures needed during construction;
- e) Required wheel washing facilities on site;
- f) A scheme for recycling waste resulting from the construction works.
- g) Measures for controlling the use of site lighting whether required for safe working or for security purposes;
- h) Required measures to control the emission of dust, dirt and other airborne pollutants during demolition and construction;

Date: 3 August 2021

- i) Provisions to be made for the control of noise coming from the site during demolition and construction;
- j) Full details of pest control measures following any demolition required. Where necessary, capping of drains/sewers and baiting arrangements.

The measures within the approved Statement shall be adhered to throughout the demolition and construction period unless otherwise agreed in writing by the Local Planning Authority.

Reason: These details are required due to insufficient information being contained within this submission and in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policy CC8, EN16 and TR3 of the Reading Borough Local Plan 2019.

6. No dwelling hereby permitted shall be occupied until the bicycle parking facility for that dwelling has been provided in accordance with hereby approved plan 15023-PL-49 Proposed Ground Floor Plan as received 10/08/2020. The facility shall be kept available for bicycle parking at all times thereafter.

Reason: To encourage travel by sustainable alternatives to driving a motorcar in accordance with Policies TR1 and TR5 of the Reading Borough Local Plan 2019.

7. No dwelling hereby permitted shall be first occupied until details of refuse and recycling bin stores have been submitted to and approved in writing by the Local Planning Authority. The details shall include measures to prevent pests and vermin accessing the bin store(s). The approved bin storage, including pest and vermin control measures, shall be provided in accordance with the approved details prior to first occupation of any permitted dwelling, shall be retained and maintained as such and shall not be used for any purpose other than bin storage at all times thereafter.

Reason: To ensure that sufficient provision is made for the storage and collection of refuse and recyclables and to safeguard the amenity (including visual amenity) of existing nearby / future occupiers / road users from potential disturbance and/or smells and highway safety, in accordance with Policies CC5, CC7, CC8 and TR3 of the Reading Borough Local Plan 2019.

8. No residential unit hereby approved shall be occupied until the Local Planning Authority has been notified in writing of the full postal address of the unit(s) hereby approved. The notification shall be sent to the Local Planning Authority quoting the application reference specified on this Notice.

Reason: In order that the Council can update its records to ensure that parking permits are not automatically issued to the occupiers of the new residential units hereby

approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

9. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential unit(s) hereby approved, the prospective occupier/transferee shall be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

Reason: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area Policy TR3 and TR5 of the Reading Local Plan 2019.

10. * No development shall commence on site until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating that the dwellings hereby permitted have achieved a minimum of a 19% improvement in the dwelling emission rate over the target emission rate as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition), and built to the higher water efficiency standard under Regulation 36(3). Such evidence shall be in the form of a 'design stage' Standard Assessment Procedure (SAP), produced by an accredited energy assessor.

Reason: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policies CC2 and H5 of the Reading Borough Local Plan 2019.

11. The development hereby permitted shall not be occupied until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating that the dwellings hereby permitted have achieved a minimum of a 19% improvement in the dwelling emission rate over the target emission rate as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition), and built to the higher water efficiency standard under Regulation 36(3). Such evidence shall be in the form of an 'As Built' Standard Assessment Procedure (SAP), produced by an accredited energy assessor.

Reason: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policies CC2 and H5 of the Reading Borough Local Plan 2019.

12. No construction, demolition or associated deliveries shall take place outside the hours of 0800hrs to 1800hrs Mondays to Fridays, and 0800hrs to 1300hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior written approval from the Local Planning Authority.

Reason: In order to protect occupiers of nearby properties from unreasonable disturbance from works connected with implementing this permission in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

13. Prior to first occupation/use of the building hereby approved, a scheme of hard and soft landscaping shall be submitted to and approved in writing by the Local Planning Authority. This scheme shall specify means of treatment for hard surfaced areas, means of enclosure including mammal gaps where appropriate, specify species, planting sizes, spacing and numbers of trees/shrubs to be planted (including replacement trees and tree pit specifications where appropriate), and must include a maintenance programme detailing all operations to be carried out in order to allow successful establishment of planting. Planting shall be carried out in accordance with the approved details in the first planting and seeding seasons following the occupation of the building or in accordance with a timetable agreed in writing with the Local Planning Authority. Any trees or plants which, within a period of 5 years from the date of planting, die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, to be agreed in writing by the Local Planning Authority.

Reason: In the interest of ensuring that the landscaping of the development enhances the visual local environment and in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

14. * No development shall take place until a scheme detailing the locations and specifications of biodiversity enhancements (including bird nesting and bat roosting features on or around the new buildings) shall be submitted to and approved in writing by the local planning authority. The biodiversity enhancements permitted shall be carried out in accordance with the approved plans and documents prior to the first occupation of any residential unit and shall be retained thereafter.

Reason: To incorporate biodiversity enhancements in and around developments and in the interests of the visual amenities of the locality and local wildlife in accordance with Paragraph 175 of the NPPF (2019), Policies CC7 and EN12 of the Reading Borough Local Plan 2019, the Wildlife and Countryside Act 1981 (as amended).

15. Only the area of external terrace annotated as such on approved plan 15023-PL-50A Proposed First Floor Plan shall be used for such purposes. No other roof area hereby permitted shall be used as a balcony, roof garden or similar amenity area without the grant of further specific planning permission from the Local Planning Authority.

Reason: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy CC8 and H9 of the Reading Borough Local Plan 2019.

INFORMATIVES

1. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

2. The occupiers of the residential unit(s) will not be automatically entitled to an on-street car parking permit. Current and new occupiers should be informed of this and be advised to find out more about parking permits on the Council's website. There is already a high level of on street car parking in the area and the site is located close to local facilities, with frequent public transport services on nearby roads.

3. To minimise the disturbance by noise of future residential occupiers of the flats and its effect on neighbouring residents, residential accommodation must be designed and constructed or converted so as to achieve the insulation requirements set out in Building Regulations Approved Document E.

4. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

5. A section 106 Agreement has been completed for this development. A copy of the S106 Legal Agreement is available on the Council's Public Register of Planning.

6. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted (with a *) to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

7. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

8. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

9. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

www.communities.gov.uk/publications/planningandbuilding/partywall

10. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is chargeable. If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments. For more information go to:

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate

(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal.

Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
