Application At: 36a Hatherley Road Reading RG1 5QA

Application No: 191875

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

REASON: In pursuance of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004) in order to prevent an accumulation of unimplemented planning permissions.

2. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans:

19010-PL-01 Location and Block Plans dated 12 November 2019

19010-PL-04A Rev.A Proposed Plans dated 23 January 2020

19010-PL-05A Rev.A Proposed Elevations dated 23 January 2020

19010-PL-06A Rev.A Proposed Street Elevation and Section dated 23 January 2020

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

3. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used on the existing building except where otherwise specified on the approved drawings.

REASON: In the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

4. Notwithstanding the provisions of Part 1, Schedule 2, Article 3, of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification), no development within Class A (enlargement, improvement or other alteration), Class B (enlargement of a dwellinghouse consisting of an addition or alteration to its roof), Class D (erection or construction of a porch outside any external door) or Class E (building or enclosure, swimming or other pool required for a purpose incidental to the enjoyment of the dwellinghouse) shall be carried out within the curtilage of the dwelling without express planning permission from the Local Planning Authority.

REASON: Due to the constrained nature of the site and as unrestricted development could harm the amenities of neighbouring properties through overlooking or being overbearing and harm the appearance of the main house and the area in general and

should therefore be controlled in accordance with Policy CC7 and CC8 of the Reading Borough Local Plan 2019.

5. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) the proposed first floor window in the south elevation labelled as 'non-opening and obscure glazed' on the approved drawings shall be non-openable and glazed with obscure glass before occupation of the development hereby approved and shall be permanently maintained as such at all times thereafter.

REASON: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

6. Notwithstanding the provisions of Schedule 2, Part 3 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification), the premises shall be used as a single Class C3 dwelling only and for no other purpose (including any other purpose in the same Use Class of the Schedule to the Town & Country Planning (Use Classes) Order 1987 (as amended), or in any provision equivalent to that Class in any statutory instrument revoking or re-enacting that Order with or without modification.

REASON: Another alternative use, including multiple occupancy, which may otherwise be permitted by virtue of the above Orders would be likely to be harmful to the amenity of future occupiers, the character of the site and that of the wider area in accordance with Policies H8, CC7 and CC8.

7. The dwelling hereby permitted shall not be occupied until the bicycle parking facility has been provided in accordance with the plans hereby approved. The facility shall be kept available for bicycle parking at all times thereafter.

REASON: To encourage travel by sustainable alternatives to driving a motorcar in accordance with Policy TR1 and TR5 of the Reading Local Plan 2019.

8. Prior to first occupation of the development hereby approved, the refuse and recycling storage facility shall be implemented fully in accordance with those details shown on the approved plans and thereafter retained for use by occupiers of the dwelling at all times.

REASON: In the interests of the visual amenity of the area and to ensure that bins can be easily accessed when required in accordance with Policy CC7 of the Reading Local Plan 2019.

9. All boundary treatments shall be implemented in accordance with the approved drawings before the development is occupied or otherwise in accordance with a timescale agreed in writing by the Local Planning Authority and shall be retained as approved at all times thereafter.

REASON: In the interests of the character and visual amenities of the locality in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

10. In the event that contamination is found at any time when carrying out the approved development, development shall be halted on that part of the site the contamination reported in writing to the Local Planning Authority. An assessment of the nature and extent of contamination shall be undertaken and where remediation is necessary a remediation scheme, together with a timetable for its implementation, shall be submitted in writing to the Local Planning Authority for its written approval. The measures in the approved remediation scheme shall be implemented in accordance with the approved timetable. Halted works shall not be re-commenced until the measures identified in the approved remediation scheme have been completed and a validation report has been submitted to and been approved in writing by the Local Planning Authority.

REASON: To ensure the development is suitable for its end use and the wider environment and does not create undue risks to occupiers of the site or surrounding areas in accordance with Policy EN16 of the Reading local Plan 2019.

11. The residential unit hereby approved shall not be occupied until the Local Planning Authority has been notified in writing of the full postal address of the unit(s) hereby approved. The notification shall be sent to the Local Planning Authority quoting the application reference specified on this Notice.

REASON: In order that the Council can update its records to ensure that parking permits are not automatically issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

12. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential unit hereby approved, the prospective occupier/transferee shall be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

REASON: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area Policy TR3 and TR5 of the Reading Local Plan 2019.

13. No construction, demolition or associated deliveries shall take place outside the hours of 0800 to 1800 Mondays to Fridays, and 0800 to 1300 on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior written approval from the Local Planning Authority.

REASON: In order to protect occupiers of nearby properties from unreasonable disturbance from works connected with implementing this permission in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

INFORMATIVES

1. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

2. The occupiers of the residential unit(s) will not be automatically entitled to an on-street car parking permit. Current and new occupiers should be informed of this and be advised to find out more about parking permits on the Council's website. There is already a high level of on street car parking in the area and the site is located close to local facilities, with frequent public transport services on nearby roads.

3. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

<https://www.gov.uk/guidance/party-wall-etc-act-1996-guidance>

4. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

5. A section 106 Agreement has been completed for this development. A copy of the S106 Legal Agreement is available on the Council's Public Register of Planning.

6. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

7. You are advised that the development lies on a potentially contaminated site. Due to the nature of the historic land use there is the potential of contaminated land being present. The developers must be aware that any ground or enabling works may bring receptors into contact with the aforementioned contaminants. You may wish to satisfy yourself that the details of the construction proposals take the necessary account of the possibility of contaminants from that source.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
