RE: Development of an Energy Recovery Centre and adjacent Data Centre and associated infrastructure at Reading Quarry, Berrys Lane, Burghfield, Reading (Your ref 20/02029/COMIND)

Dear Elise,

Thank you for your letter dated 22nd September 2020 regarding the proposed Energy Recovery Centre and adjacent Data Centre and associated infrastructure at Reading Quarry. I apologise for the delay in this response being sent to you.

I can confirm that the Local Planning Authority raises no overall objection to the proposal.

At this stage, Reading Borough Council has no further comments to make on this out of district consultation.

If you have any questions, please do not hesitate to contact me.

Kind regards,

Jonathan Markwell
