REASON: To protect the visual amenity and avoid excessive glare that could lead to a danger to highway users in accordance with Policy CC7 and OU4 of the Reading Borough Local Plan 2019.

INFORMATIVES

1. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target timescale for the decision to be issued.
2. It is noted that the proposed plans also reference two proposed external air conditioning units on the rear elevation; for the avoidance of doubt these will require separate planning permission and are not considered as part of this advertisement consent application.
3. The proposal also shows internal vinyls; as they are located internally the Local Planning Authority has no control over these; hence they are not referenced in the description of development or been assessed as part of the application. Please note that as per Policy OU5 shopfronts should present an active frontage to the street at all times. Opaque coverings on shop windows are advised to be minimised and should not obscure the window.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse consent for the proposed display of advertisements or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 within 8 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.
