

**TOWN AND COUNTRY PLANNING ACT 1990
PLANNING AND COMPENSATION ACT 1991
THE TOWN & COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015**

**APPLICATION TO VARY/REMOVE CONDITION UNDER SECTION 73 OF THE TOWN
AND COUNTRY PLANNING ACT 1990**

To: The Keen Partnership
The Courtyard
Edinburgh Road
Reading
RG30 2UA

Application No: 200248
Application type: Variation of Condition

Applicant: Mr Sajad Bashier

READING BOROUGH COUNCIL as Local Planning Authority hereby **GRANT** planning permission for the development as described below:-

Proposal: Variation of condition 3 (approved plans) of planning permission 162283/FUL dated 28/04/17 (for various alterations including rear extension and creation of self-contained flat at second floor), namely to alter size of rear extension, alter fenestration and retain external staircase

At: 576 Oxford Road Reading RG30 1EG

Subject to such conditions and for such reasons as may be attached

**OTHER STATUTORY CONSENTS MAY BE REQUIRED
PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE**

Date: 8 September 2020

SDV

Head of Planning, Development
& Regulatory Services

Application At: 576 Oxford Road Reading RG30 1EG

Application No: 200248

Application type: Variation of Condition

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of planning permission 162283/FUL issued 28/04/17.

REASON: For the avoidance of doubt and to ensure that any conditions imposed on the original permission remain in force other than as expressly hereby varied and development must be started in accordance with Section 73(5) of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used on the existing building.

REASON: In the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

3. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans, received 17/02/20:

Drawing No: PL-04 - Existing and Proposed Block Plans

Drawing No: PL-08 - Proposed Site Plan

Drawing No: PL-10 - Proposed Floor and Roof Plans

Drawing No: PL-07 - Proposed Elevations

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

4. No residential unit hereby approved shall be occupied until the Local Planning Authority has been notified in writing of the full postal address of the unit(s) hereby approved. The notification shall be sent to the Local Planning Authority quoting the application reference specified on this Notice.

REASON: In order that the Council can update its records to ensure that parking permits are not automatically issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

5. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential unit(s) hereby approved, the prospective occupier/transferee shall

Date: 8 September 2020

SDV

Head of Planning, Development
& Regulatory Services

be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

REASON: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area Policy TR3 and TR5 of the Reading Local Plan 2019.

6. No development shall commence on site until a plan showing how four cycle parking spaces can satisfactorily be provided on site is submitted to and been approved in writing by the Local Planning Authority. The cycle parking spaces shall be provided in full accordance with the approved details prior to first occupation and thereafter kept free of obstruction and retained in accordance with the approved details and shall remain available for the parking of vehicles at all times.

REASON: These details are required due to insufficient information being contained within this submission and in order to encourage travel by sustainable alternatives to private vehicle in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

7. No development shall commence on site until a detailed scheme, informed by an assessment of the current noise environment, for protecting the dwellings from the external noise environment of the area has been submitted to and approved, in writing, by the Local Planning Authority. The scheme itself shall be designed, specified and constructed so that the sound insulation performance of the structure and the layout of the dwellings are such that the indoor ambient noise levels do not exceed the values detailed in Table 4 of BS 8233:2014. Where opening windows will lead to an internal noise level increase of 5 dBA or greater above BS 8233:2014 recommended internal levels, the scheme shall include provision of alternative mechanical ventilation with minimum performance equivalent to a mechanical heat recovery (MVHR) system with cool air bypass as an alternative means of cooling and ventilation. Noise from the system should not result in BS8233 internal levels being exceeded.

Thereafter, the development shall not be carried out other than in accordance with the approved scheme which shall be completed before any part of the accommodation hereby approved is occupied, unless the Local Planning Authority otherwise agrees in writing.

REASON: These details are required due to insufficient information being contained within this submission and in order to safeguard the amenity of occupants in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

Date: 8 September 2020

SDV

Head of Planning, Development
& Regulatory Services

8. No development shall take place above foundation level until a detailed scheme demonstrating sufficient mitigation to protect the occupants of the new dwellings hereby approved from poor air quality has been submitted to and been approved in writing by the Local Planning Authority. The scheme shall be implemented as approved prior to occupation of any part of the development and retained as approved at all times thereafter.

REASON: In order to protect the health of future occupants of the proposed development in accordance with Policy EN15 of the Reading Borough Local Plan 2019.

9. No development shall commence on site, including any works of demolition, until a site specific Construction Method Statement has been submitted to and been approved in writing by the Local Planning Authority. The Statement shall provide for:

- a) Required measures to control the emission of dust, dirt and other airborne pollutants during demolition and construction;
- b) Provisions to be made for the control of noise coming from the site during demolition and construction;

The measures within the approved Statement shall be adhered to throughout the demolition and construction period unless otherwise agreed in writing by the Local Planning Authority.

REASON: These details are required due to insufficient information being contained within this submission and in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policy CC8 and TR3 of the Reading Borough Local Plan 2019.

10. No construction, demolition or associated deliveries shall take place outside the hours of 0800hrs to 1800hrs Mondays to Fridays, and 0800hrs to 1300hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior written approval from the Local Planning Authority.

REASON: In order to protect occupiers of nearby properties from unreasonable disturbance from works connected with implementing this permission in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

11. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

REASON: In the interests of air quality, the amenity of neighbours, and to promote more sustainable approaches to waste management in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.
2. The conditions above have been worded with reference to the original planning permission, 162283/FUL.
3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.
ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.
4. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits. If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
