

**PLANNING STATEMENT FOR PROPOSED SINGLE STOREY FRONT EXTENSION
AT 29 WEALD RISE TILEHURST. RG30 6XB – FOR MR J NEWMAN**

It is proposed that a front extension is constructed, the current front access door will be re located on the side. This proposal follows closely the application approved back in 2011 (application ref 11/01645/ful).

Mr Newman's health situation has changed, he is now wheel chair bound. The changes from the originally approved application now include a disabled wetroom, this will be adjacent to the front sitting room that will now be used as a bedroom.

There is a new access door proposed to the side of the property replacing the original front access door.
