Dear Bluestone Planning,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 200719

Application type: Approval of Conditions

Address: Greyfriars Church Friar Street Reading RG1 1EH

Proposal: Application to discharge condition 5 (archaeological work) of approved application 190650.

I refer to your application as described above.

Condition 5 - Archaeological work

Condition 5 requires a scheme of archaeological works be submitted prior to commencement of any development, and for those works to be carried out in accordance with the approved details. The applicant has submitted the following documents:

- Document No: 24509 Rev V1, titled 'Greyfriars Church, Reading - Written scheme of investigation archaeological evaluation' prepared by Oxford Archaeology and received on 27 May 2020.

As the condition requires the works to be carried out in accordance with the above mentioned document, the condition is only partially discharged, and the applicant is required to comply with the scheme submitted.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Should you wish to discuss this matter further, please contact me by email or the direct line as above.

Yours sincerely
