Head of Planning, Development  
& Regulatory Services

**Application At:** Land At Dudley Close Tilehurst Reading RG31 6JJ

**Application No:** 190236

**Application type:** Full Planning Approval

**CONDITIONS & REASONS**

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

REASON: In pursuance of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004) in order to prevent an accumulation of unimplemented planning permissions.

2. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans:

Drawing No:

GP/20/18 Rev K - Proposed Block Plan - received 09 Apr-20

GP/01/18 Rev E - Proposed Floor Plans & Elevations - received 09 Apr-20

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

3. No development shall commence beyond foundation level until a schedule of the materials to be used in the construction of the external surfaces of the development hereby permitted have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out and thereafter maintained in accordance with the details approved.

REASON: These details are required due to insufficient information being contained within this submission and in the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019

4. **No development shall commence on site**, including any works of demolition, until a site specific Construction Method Statement has been submitted to and been approved in writing by the Local Planning Authority. The Statement shall provide details of:

- a) Space on site where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided;
- b) Location on site for storage of plant and materials used in constructing the development;
- c) The erection and maintenance (including removal of any graffiti or fly posters) of any security hoarding around the site;
- d) Identification of any footpath closures or road closures needed during construction;

Date: 2<sup>nd</sup> July 2020

Head of Planning, Development  
& Regulatory Services

- e) Wheel washing facilities on site and details of how their use will be enforced;
- f) A scheme for recycling waste resulting from the construction works.
- g) Measures for controlling the use of site lighting whether required for safe working or for security purposes;
- h) Required measures to control the emission of dust, dirt and other airborne pollutants during demolition and construction;
- i) Provisions to be made for the control of noise coming from the site during demolition and construction;
- j) Full details of pest control measures following any demolition required. Where necessary, capping of drains/sewers and baiting arrangements.

The measures within the approved Statement shall be adhered to throughout the demolition and construction period unless otherwise agreed in writing by the Local Planning Authority.

REASON: These details are required due to insufficient information being contained within this submission and in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policy CC8 and TR3 of the Reading Borough Local Plan 2019.

5. The dwellings hereby permitted shall not be occupied until all vehicle parking spaces have been provided in accordance with the plans hereby approved. The spaces shall be kept available for parking at all times thereafter.

REASON: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users in accordance with Policy TR3 and TR5 of the Reading Borough Local Plan 2019.

6. No dwelling hereby permitted shall be occupied until the vehicle access serving it has been constructed in accordance with the plans hereby approved.

REASON: In the interests of road safety in accordance with Policy TR1 and TR3 of the Reading Borough Local Plan 2019.

7. No dwelling hereby permitted shall be occupied until the bicycle parking facility for that dwelling has been provided in accordance with the plans hereby approved. The facility shall be kept available for bicycle parking at all times thereafter.

REASON: To encourage travel by sustainable alternatives to driving a motorcar in accordance with Policy TR1 and TR5 of the Reading Borough Local Plan 2019.

8. Prior to first occupation of the development hereby approved, the refuse and recycling storage facilities shall be implemented fully in accordance with those details shown on the approved plans and thereafter retained for use by occupiers of the dwellings at all times.

Date: 2<sup>nd</sup> July 2020

Head of Planning, Development  
& Regulatory Services

REASON: In the interests of the visual amenity of the area and to ensure that bins can be easily accessed when required in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

**9. No development shall take place until** an assessment of the nature and extent of contamination has been submitted to and approved in writing by the Local Planning Authority. This assessment must be undertaken by a competent person, and shall assess any contamination on the site, whether or not it originates on the site. Moreover, it must include:

- (i) a survey of the extent, scale and nature of contamination;
- (ii) an assessment of the potential risks to:
  - human health,
  - property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes,
  - adjoining land,
  - groundwaters and surface waters,
  - ecological systems,

REASON: These details are required due to insufficient information being contained within this submission and to ensure the development is suitable for its end use and the wider environment and does not create undue risks to occupiers of the site or surrounding areas in accordance with Policy EN16 of the Reading Borough Local Plan 2019.

**10. No development shall take place until** a detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment has been submitted to and approved in writing by the Local Planning Authority. The scheme must include all works to be undertaken, proposed remediation objectives and remediation criteria, an appraisal of remedial options, and proposal of the preferred option(s), and a timetable of works and site management procedures. The scheme must ensure that the site will not qualify as contaminated land under Part 2A of the Environmental Protection Act 1990 in relation to the intended use of the land after remediation.

REASON: These details are required due to insufficient information being contained within this submission and to ensure the development is suitable for its end use and the wider environment and does not create undue risks to occupiers of the site or surrounding areas in accordance with Policy EN16 of the Reading Borough Local Plan 2019.

**11. The remediation scheme shall be implemented** in accordance with the approved timetable of works. A validation report (that demonstrates the effectiveness of the remediation carried out) must be submitted to and approved by the Local Planning Authority prior to construction of the development.

Date: 2<sup>nd</sup> July 2020

Head of Planning, Development  
& Regulatory Services

REASON: To ensure the development is suitable for its end use and the wider environment and does not create undue risks to occupiers of the site or surrounding areas in accordance with Policy EN16 of the Reading Borough Local Plan 2019.

12. In the event that contamination is found at any time when carrying out the approved development not previously identified, development must be halted on that part of the site and it must be reported in writing to the Local Planning Authority. Following that an assessment of the nature and extent of contamination must be undertaken and where remediation is necessary a remediation scheme, together with a timetable for its implementation, must be submitted to and approved in writing by the Local Planning Authority.

The measures in the approved remediation scheme must then be implemented in accordance with the approved timetable. Following completion of measures identified in the approved remediation scheme a validation report must be submitted to and approved in writing by the Local Planning Authority.

REASON: To ensure the development is suitable for its end use and the wider environment and does not create undue risks to occupiers of the site or surrounding areas in accordance with Policy EN16 of the Reading Borough Local Plan 2019.

13. The hours of construction, demolition and associated deliveries shall be restricted to the hours of 08:00hrs to 18:00hrs Mondays to Fridays, and 09:00hrs to 13:00hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior approval from the Local Planning Authority.

REASON: In the interests of the amenities of nearby residents and Policy CC8 of the Reading Borough Local Plan 2019.

14. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

REASON: In the interests of air quality, the amenity of neighbours, and to promote more sustainable approaches to waste management in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

15. **No works or development shall take place until** full details of both hard and soft landscape proposals have been submitted to and approved by the Local Planning Authority. Landscape details shall include:

- Planting plans
- Written specifications (including cultivation and other operations associated with plant and grass establishment).
- Schedules of plants and trees, to include large canopy, native and wildlife friendly species, and species likely to prove adaptable to climate change, noting species, planting sizes and proposed numbers / densities,
- Details of tree pits

Date: 2<sup>nd</sup> July 2020

Head of Planning, Development  
& Regulatory Services

- Details of sustainable drainage and irrigation systems such as rain gardens, and temporary pools and swales
- Implementation timetables
- Biodiversity enhancements, including integral bird nesting and bat roosting opportunities on and around the new buildings
- Specifications for fencing demonstrating how hedgehogs and other wildlife will be able to continue to travel across the site (e.g. fences slightly raised above ground level)
- Above and below ground service routes (ensuring they do not conflict with new or existing planting)
- Permeable hard surfaces

Reason: To ensure the provision of amenity, and biodiversity enhancements, afforded by appropriate landscape design and to comply with policy EN12 of the Reading Borough Local Plan 2019 and the NPPF.

16. All hard and soft landscape works shall be carried out in accordance with the approved details and to a reasonable standard in accordance with the relevant recommendations of appropriate British Standards or other recognised Codes of Good Practice. The works shall be carried out prior to the occupation of any part of the development or in accordance with the timetable agreed with the Local Planning Authority. Any trees or plants that, within a period of five years after planting, are removed, die or become, in the opinion of the Local Planning Authority, seriously damaged or defective, shall be replaced as soon as is reasonably practicable with others of species, size and number as originally approved, unless the Local Planning Authority gives its written consent to any variation.

Reason: To ensure the provision of amenity, and biodiversity enhancements, afforded by appropriate landscape design and to comply with policy EN14 & CC7 of the Reading Borough Local Plan 2019.

17. No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the Local Planning Authority. Any topping or lopping approved shall be carried out in accordance with the relevant recommendations of appropriate British Standards or other recognised Codes of Good Practice. If any retained tree is removed, uprooted or destroyed or dies (as a consequence of the development), another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time as may be specified in writing by the Local Planning Authority.

REASON: To ensure that retained trees are adequately protected, in the interests of the visual amenities of the locality in accordance with in accordance with Policy CC7 and EN14 of the Reading Borough Local Plan 2019.

Date: 2<sup>nd</sup> July 2020

Head of Planning, Development  
& Regulatory Services

18. The erection of fencing for the protection of any retained tree or trees shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site. Such protection as required by the above condition shall be retained throughout the entire period of construction and until all equipment, machinery and surplus materials have been removed from the site. No materials, soil, rubbish or vehicles shall be deposited or stored in any area fenced in accordance with this condition and no fires shall be lit, and no raising or lowering of ground levels shall take place within this area. No drains, pits, ditches or trenches shall be dug in or run across the area protected by the fencing, at any time before, during and after the development of the site, unless otherwise agreed in writing by the Local Planning Authority.

REASON: In order to ensure that retained trees are adequately protected, in the interests of the visual amenities of the locality in accordance with in accordance with Policy EN14 of the Reading Borough Local Plan 2019.

19. Prior to occupation, details of floral screening in the form of trees shall be submitted to and approved in writing by Reading Borough Council, for erection along the rear boundaries of the approved dwellings.

Reason: for the purposes of ensuring neighbouring amenity is protected in line with Policy CC8.

20. The screening approved along the rear boundary, secured by the previous condition shall be retained for 5 years, and in the case of any vegetation dying during this period, shall be replanted.

Reason: to ensure neighbouring amenity is protected in accordance with Policy CC8.

21. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) the two proposed first-floor side facing windows (serving bathrooms) shall be top openable above 1.7m as a minimum when measured from the floor level of the respective rooms, and glazed with obscure glass before occupation of the development hereby approved and shall be permanently maintained as such.

REASON: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

22. Notwithstanding the provisions of Part 1, Schedule 2, Article 3, of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification), no development within Class A (enlargement, improvement or other alteration), Class B (enlargement of a dwellinghouse consisting of an addition or alteration to its roof), or Class E (building or enclosure, swimming or other pool required for a purpose incidental to the enjoyment of the dwellinghouse) shall be carried out within the curtilage of the dwelling without express planning permission from the Local Planning Authority.

Date: 2<sup>nd</sup> July 2020

Head of Planning, Development  
& Regulatory Services

REASON: Due to the constrained nature of the site and as unrestricted development could harm the amenities of neighbouring properties through overlooking or being overbearing and harm the appearance of the main house and the area in general and should therefore be controlled in accordance with Policy CC7 and CC8 of the Reading Borough Local Plan 2019.

### **INFORMATIVES**

1. In accordance with Article 35 (DMPO 2015) some conditions have been marked in bold font to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.
2. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.
3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.  
ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.
4. A section 106 Agreement has been completed for this development. A copy of the S106 Legal Agreement is available on the Council's Public Register of Planning.
5. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.
6. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

## NOTES

### APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. Further details are on GOV.UK.

### Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

## Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using [streetnamingnumbering@reading.gov.uk](mailto:streetnamingnumbering@reading.gov.uk)

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
