Hi Filippo & Anna

Further to our recent visit to your home at 11, Oaklands, Hamilton Road, Reading, we now have pleasure in confirming our quotation for your replacement window and glass requirement for your 1960's Grade 2 Listed property, as per details taken and all to match previous windows fitted by ourselves.

To: Supplying and fitting items in "Lafford & Leavey", Black Painted Purpose-Made "Pivot" Casement Hardwood 120mm section frame, complete with 4-16-4mm "A Rated", double glazed sealed units, projecting cill and new locking handles. Window to be made as per existing style but double glazed, price includes carefully removing and disposing of all existing items, our own mobile tower scaffold (with permission from your neighbour below to do the work) and all general making good, including re-rendering of internal plaster reveals as necessary.

First Floor Rear Lounge

1 No. Sitting room Two section full height window, with Pivot opener beside non-opening section and both above large fixed pane, all set into existing external cladding with new external cappings and new internal window board.....£3,980.00.

Price is subject to satisfactory technical site survey, is excludes VAT and does not allow for any structural lintel, final decorating or listed building permission, all however could be costed if required.

Terms: No deposit, 50% payment on fitting start date and balance on completion.

Installation: Approximately 6/8 weeks.

Guarantee: 10 years insurance backed and through FENSA.

We thank you for the opportunity to quote and look forward to discussing further.

Kind Regards
