

QUOTATION

8th March 2020

Ben & Helen Fasham

Ref: New Timber Door

Dear, Mr & Mrs Fasham

Thank you for your enquiry and I have pleasure in submitting my estimate for your consideration. The hardwood Door offered will be as follows.

- Door manufactured from Meranti hardwood sourced, wherever possible; from managed forests certified by MTCC.
- Timber finished with three coat factory white spray finish.
- Bead glazed with argon filled double glazed sealed units using warm edge spacer bars, low emissivity glass to the inner pane and low iron glass to the outer pane.
- External astragal Georgian bars.
- All glass to be toughened/ laminated safety glass.
- Door fitted with multi-point locking mechanism with hookbolts, deadbolt and latch operated by lever/ lever handles and thumbturn cylinder.
- All furniture to be Chrome finish.

Our total supply and install price for the door as shown below will be **£ 2,695.50**

All necessary materials, labour and V.A.T. are included in the above price.

Payment terms are 50% deposit with order and the balance due when the installation is complete.

We hope this is of interest to you but should you have any queries then please do not hesitate to contact us.

Yours faithfully

Steve & Dan
