& Regulatory Services *J.P.M.*

**Application At:** 132 St Peters Avenue Caversham Reading RG4 7DR

**Application No:** 192008

**Application type:** Full Planning Approval

**CONDITIONS & REASONS**

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date on which the permission was granted.

Reason: To prevent an accumulation of unimplemented planning permissions and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. \*The development hereby approved shall not be commenced on site (barring demolition works) until details, including samples, of all materials to be used in the construction of the external surfaces of the development, have been submitted to and approved in writing by the local planning authority. The development shall not be carried out other than in accordance with the approved details.

Reason: In the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

3. The permission relates only to the following plans and drawings:

Drawing No: Proposed Elevations 16119-PE1010-A

Drawing No: Block Plan Proposed 16119-PP0011-A

Drawing No: Site Plan and Street Elevation 16119-PP0012

Drawing No: Proposed Plans 16119-PP1030-A

Received 19th December 2019

Reason: To clarify which plans have been approved.

4. No dwelling shall be occupied until the access has been constructed in accordance with the approved drawing and in compliance with the requirements of the Local Planning Authority for work carried out within the public highway.

Reason: In the interests of road safety in accordance with Policies TR1 and TR3 of the Reading Local Plan 2019.

Date: 4 August 2020

Head of Planning, Development  
& Regulatory Services *J.B.M.*

5. The existing south west access to the site shall be stopped up and abandoned immediately after the new access has been brought into use. The footway(s) and verge shall be reinstated to the satisfaction of the Local Planning Authority.

Reason: In the interests of safety, protecting the amenity of local land uses, neighbouring residents and highway safety in accordance with Policies TR1 and TR3 of the Reading Local Plan 2019.

6. No dwelling shall be occupied until the vehicle parking spaces have been provided in accordance with the approved plan. The spaces shall thereafter be kept available for parking at all times.

Reason: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which could be a danger to other road users in accordance with Policies TR3 and TR5 of the Reading Local Plan 2019.

7. \* The development hereby approved shall not be commenced on site (including demolition or preparatory works) until a Demolition and Construction Method Statement has been submitted and approved in writing by the local planning authority to provide for:

- a) Space on site where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided;
- b) Location on site for storage of plant and materials used in constructing the development;
- c) The erection and maintenance (including removal of any graffiti or fly posters) of security hoarding around the site;
- d) Identification of any footpath closures or road closures needed during construction;
- e) Required wheel washing facilities on site;
- f) A scheme for recycling waste resulting from the construction works.
- g) Measures for controlling the use of site lighting whether required for safe working or for security purposes;
- h) Required measures to control the emission of dust, dirt and other airborne pollutants during demolition and construction; [EP REQUIREMENT]
- i) Provisions to be made for the control of noise coming from the site during demolition and construction; [EP REQUIREMENT]
- j) Full details of pest control measures following any demolition required. Where necessary, capping of drains/sewers and baiting arrangements. [EP REQUIREMENT]

Date: 4 August 2020

Head of Planning, Development  
& Regulatory Services *J.B.M.*

The measures within the approved Statement shall be adhered to throughout the demolition and construction period unless otherwise agreed in writing by the Local Planning Authority.

Reason: These details are required due to insufficient information being contained within this submission and in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety in accordance with Policies CC8, EN15, EN16 and TR3 of the Reading Borough Local Plan 2019.

8. \* The development hereby approved shall not be commenced on site (including demolition or preparatory works) until an Arboricultural Method Statement and Tree Protection Plan in accordance with the relevant recommendations of the appropriate British Standards or other recognised Codes of Good Practice for all existing trees that are not shown as being removed on the approved drawings, both within and adjacent to the site, has been submitted to and been approved in writing by the Local Planning Authority. The development shall not be carried out other than in accordance with the approved Arboricultural Method Statement and Tree Protection Plan. Any deviation from the works prescribed or methods agreed in the report will require prior written approval from the Local Planning Authority.

Reason: In order to ensure that reasonable measures are taken to safeguard trees in the interests of local amenity and the enhancement of the development itself in accordance with Policy EN14 of the Reading Borough Local Plan 2019.

9. \* The development hereby approved shall not be commenced on site (including demolition or preparatory works) until full details of both hard and soft landscaping have been submitted to and approved in writing by the local planning authority. The submitted details shall include:

- (a) hard surfacing materials; and
- (b) proposed and existing functional services above and below ground (e.g drainage, power, communications cables, pipelines etc. indicating lines, manholes etc); and
- (c) planting plans; written specifications (including cultivation and other operations associated with plant and grass establishment); schedules of plants, noting species, plant sizes and proposed numbers/planting densities where appropriate
- (d) Tree pit specifications.

The approved hard and soft landscaping scheme shall be carried out in accordance with the approved details prior to the occupation of any part of the development or in accordance with a timetable approved in writing by the Local Planning Authority.

Any trees or plants which, within a period of 5 years from the date of planting, die, are removed or become seriously damaged or diseased shall be replaced in the next

Date: 4 August 2020

Head of Planning, Development  
& Regulatory Services *J.B.M.*

planting season with others of similar size and species, to be agreed in writing by the Local Planning Authority.

Reason: In the interest of ensuring that the landscaping of the development enhances the visual local environment and in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

10. Notwithstanding the provisions of Part 1, Schedule 2, Article 3, of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification), no development within Class A (enlargement, improvement or other alteration), Class B (enlargement of a dwellinghouse consisting of an addition or alteration to its roof), or Class E (building or enclosure, swimming or other pool required for a purpose incidental to the enjoyment of the dwellinghouse) shall be carried out within the curtilage of the dwelling without express planning permission from the Local Planning Authority.

Reason: Due to the constrained nature of the site and as unrestricted development could harm the amenities of neighbouring properties through overlooking or being overbearing and harm the appearance of the main house and the area in general and should therefore be controlled in accordance with Policies CC7 and CC8 of the Reading Borough Local Plan 2019.

11. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) no windows/doors/dormers/openings, other than those shown on the approved plans shall at any time be placed in the first floor north or south facing flank elevations of the buildings hereby permitted without the grant of a separate planning permission from the Local Planning Authority.

Reason: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

12. The hours of construction, demolition and associated deliveries shall be restricted to the hours of 08:00hrs to 18:00hrs Mondays to Fridays, and 09:00hrs to 13:00hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays without prior approval from the Local Planning Authority.

Reason: To protect the amenity of occupiers of existing nearby properties from noise and disturbance from works connected with implementing this permission, in accordance with Policies CC8 and EN16 of the Reading Borough Local Plan 2019.

13. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

Date: 4 August 2020

Head of Planning, Development  
& Regulatory Services *J.B.M.*

Reason: In the interests of air quality, the amenity of neighbours, and to promote more sustainable approaches to waste management in accordance with Policy CC8 of the Reading Borough Local Plan 2019.

14. No dwelling shall be first occupied until details of an electric vehicle (EV) charging Scheme comprising a layout plan and detailed specification for a minimum of one electric vehicle charging point within the plot and other supporting infrastructure reasonably required to enable the EV charging point to be fitted, has been submitted to and approved in writing by the Local Planning Authority. No dwelling shall be first occupied until the Scheme has been fully provided in accordance with the approved details. The space shall be maintained for vehicle charging in accordance with the approved Scheme at all times thereafter.

Reason: In the interests of environmentally sustainable transport in accordance with Policies TR3 and TR5 of the Reading Local Plan 2019.

15. \*The development hereby approved shall not be commenced on site (barring demolition or preparatory works) until details of biodiversity enhancements, to include bat boxes, tiles or bricks on and around new buildings and native and wildlife friendly landscape planting has been submitted to and approved in writing by the Local Planning Authority. The approved measures shall be implemented prior to the first occupation of any residential unit hereby approved and maintained as such thereafter.

Reason: To incorporate biodiversity in and around developments in accordance with Paragraphs 109 and 118 of the NPPF and Policy EN12 of the Reading Borough Local Plan 2019.

16. \* The development hereby approved shall not be commenced on site (including demolition or preparatory works) until written verification has been submitted to and approved in writing by the Local Planning Authority demonstrating that the dwellings hereby permitted have achieved a minimum of a 19% improvement in the dwelling emission rate over the target emission rate as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition), and built to the higher water efficiency standard under Regulation 36(3). Such evidence shall be in the form of a 'design stage' Standard Assessment Procedure (SAP), produced by an accredited energy assessor.

Reason: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policies CC2 and H5 of the Reading Borough Local Plan 2019.

17. The development hereby permitted shall not be occupied until written verification has been submitted to and approved in writing by the Local Planning Authority

Date: 4 August 2020

demonstrating that the dwellings hereby permitted have achieved a minimum of a 19% improvement in the dwelling emission rate over the target emission rate as defined in The Building Regulations for England Approved Document L1a: Conservation of Fuel and Power in New Dwellings (2013 edition), and built to the higher water efficiency standard under Regulation 36(3). Such evidence shall be in the form of an 'As Built' Standard Assessment Procedure (SAP), produced by an accredited energy assessor.

Reason: To ensure that the development is carried out in accordance with sustainable building standards in accordance with Policies CC2 and H5 of the Reading Borough Local Plan 2019.

18. No dwelling hereby permitted shall be occupied until the bicycle parking facility for that dwelling has been provided in accordance with the plans hereby approved. The facility shall be kept available for bicycle parking at all times thereafter.

Reason: To encourage travel by sustainable alternatives to driving a motorcar in accordance with Policies TR1 and TR5 of the Reading local Plan 2019.

19. Prior to first occupation of the development hereby approved, the refuse and recycling storage facility shall be implemented fully in accordance with those details shown on the approved plans and thereafter retained for use by occupiers of the dwelling at all times.

Reason: In the interests of the visual amenity of the area and to ensure that bins can be easily accessed when required in accordance with Policies CC5 and CC7 of the Reading Local Plan 2019.

### **INFORMATIVES**

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

2. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

Date: 4 August 2020

Head of Planning, Development  
& Regulatory Services *J.B.M.*

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicants should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

4. The Council's Highways section should be contacted at 19 Bennet Road, Reading, RG2 0QX, telephone: 0118 937 2138, to agree the access construction details and to grant a licence before any work is carried out within the highway. A formal application should be made allowing at least 4 week's notice to obtain details of underground services on the applicants' behalf.

5. You are advised to avoid the use of the grass verges for development related activity, e.g. storage of materials, due to the resulting potential harm to important street trees.

6. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted (with a \*) to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

7. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the agreed extended timescale for the decision to be issued.

## NOTES

### APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate

([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal.

Further details are on GOV.UK.

### Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

## Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using [streetnamingnumbering@reading.gov.uk](mailto:streetnamingnumbering@reading.gov.uk)

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
