

DELEGATED HOUSEHOLDER APPLICATION REPORT

Ward: Caversham

App Ref: 191902/HOU

Address: 10 Priory Avenue, Caversham, Reading, RG4 7SE

Proposals: Proposed single storey rear extension with internal alterations.

Case Officer: Mr David Brett

Applicant: Ms Gemma Robaczynski

Date received (valid from): 29/11/2019

Target Decision date: 24/01/2020

1. INTRODUCTION

The proposal site is a semi-detached dwelling located on Priory Avenue, Caversham. Priory Avenue is a predominately residential road, situated just off Church Street in Caversham, within 100m of a local centre.

This application is for a single storey rear extension with internal alterations that allow for the creation of an enlarged kitchen and breakfast bar. The internal alterations will also create a step down to a large dining and lounge area to the rear of the dwelling. Light would reach the dining and lounge aspect of this proposal as a result of the glazed on the rear extension.

2. PROPOSAL AND SUPPORTING INFORMATION

The proposed development is for a single storey rear extension with internal alterations.

5. EQUALITY ACT 2010

In determining this application the Council is required to have regard to its obligations under the Equality Act 2010. However, there is no indication or evidence (including from consultation on the application) that the protected groups identified by the Act have or will have different needs, experiences, issues and priorities in relation to this particular planning application. Therefore in terms of the key equalities protected characteristics it is considered there would be no significant adverse impacts as a result of the development.

6. LEGAL AND PLANNING POLICY CONTEXT

Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that proposals be determined in accordance with the development plan unless material considerations indicate otherwise. Material considerations include relevant policies in the National Planning Policy framework (NPPF) - among them the 'presumption in favour of sustainable development'. The following local and national planning policy and guidance is relevant to this application:

7. APPRAISAL

7.1 House Extensions and Ancillary Accommodation

In accordance with Reading Borough Local Plan policy H9: House Extensions and Ancillary Accommodation, house extension proposals are acceptable where it:

- *Respects the character and appearance of the house in terms of scale and locations.*
 - Regarding materials and the design of the proposals; the application states that the materials selected for the rear extension are to match the existing dwelling. However, it has not been determined what colour the door will be to the rear of the extension. It is recommended that the colour chosen for this aspect of the proposal matches the existing dwelling in order to maintain a consistent and cohesive design that compliments the existing dwelling.
 - It is considered that the removal of the existing lean would not detrimentally impact the character and appearance of the dwelling. The lean is not considered to be integral to the overall design of the dwelling. In fact, the existing lean is considered to harm the appearance of the rear of the dwelling, as materials used for the windows and door do not match the host dwelling,

7.2 Safeguarding Amenity

In accordance with Reading Borough Local Plan policy H9: House Extensions and Ancillary Accommodation, house extension proposals are acceptable where it:

- *Respects the character and pattern of neighbouring properties and appearance of the street as a whole in terms of scale, location, materials and design, the arrangement of*

doors, windows and other principal architectural features and any important existing building line.

- This proposal does not present an overbearing impact on neighbours or a large blank façade to public areas. This proposal for a single storey rear extension is not considered to have a detrimental impact on the character and appearance of the surrounding area, as the proposed rear extension is obscured by the front of the dwelling.

This proposal has also been assessed against Reading Borough Local Plan policy CC8: Safeguarding Amenity, which states that proposals are acceptable where they will not cause a detrimental impact on the living environment of existing residential properties with regard to:

- *Privacy and overlooking*
- *Access to sunlight and daylight*
- *Visual dominance and overbearing effects of a development*
- *Harm to outlook*

The above criteria is considered when assessing the impact of the proposal on neighbouring properties 8 and 12 Priory Avenue. The height scale of the proposal means that it is considered to not detrimentally impact 8 or 12 Priory Avenue in terms of privacy, access to light, or appear overbearing.

7.3 Private and Communal Outdoor Space

In accordance with Reading Borough Local Plan policy H9: House Extensions and Ancillary Accommodation, house extension proposals are acceptable where it:

- *Does not result in a loss of biodiversity within gardens.*
 - Although the proposed rear extension (7.84m²) would represent a loss in private outdoor space to the rear of the property, this is mitigated against through the loss of the existing lean to (5.12m²). Meaning that the overall proposal only represents a loss of 2.72m² in outdoor amenity. The distance between the rear of the property and the rear boundary will also be increased from 10.3m to 12m.

This proposal has also been assessed against Reading Borough Local Plan policy H10: Private and Communal Outdoor Space, which states that:

- *Usable outdoor space for houses should be no less than the gross floor area of the dwelling. To which it relates.*
 - It is considered that this proposal will not represent an unacceptable loss in private outdoor space. As the size of the private outdoor space will still be larger than the usable floor space of the dwelling on the ground floor.

7.4 Air Quality

This proposal has been considered against Reading Borough Local Plan policy EN15, as the proposal site is within an Air Quality Management Area (AQMA). As demonstrated in the policy, this proposal does not meet the requirements for an Air Quality Assessment (AQA) and is considered not enough of a detrimental impact air quality to warrant such an assessment due to the size and scale of the proposal.

8. CONCLUSION

The proposed development has been assessed and the proposed works are considered to be in accordance with the above relevant policies and planning permission can be granted.

11. INFORMATIVES

IF1: Positive and Proactive Working - approval

The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

IF5: Terms

Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

IF6: Building Control

Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

IF7: Complaints about construction

Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with

the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.

IF8: Encroachment

During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at: www.communities.gov.uk/publications/planningandbuilding/partywall
