Dear Mr Brogan,

TOWN AND COUNTRY PLANNING ACT 1990

Application Reference: 190341

Application type: Approval of Conditions

Address: Unit 1 Island Road Reading RG2 0SF

Proposal: Application for discharge of condition 21 of planning permission 170444.

I refer to your application as described above.

Condition 21 - Deliveries Management Plan

We had requested an updated DSMP relating to the discharge of Condition 21 for planning application number 190341. It can be confirmed that version R05-HJ-DHL DSMP 191202_Optimized as submitted on 2 December 2019 has taken into account the comments raised by colleagues in Transport Development Control and has therefore satisfied the request for the additional information necessary to discharge the condition.

It can therefore be confirmed that the information provided is accepted and that Condition 21 (associated with original planning permission number 170444) can now be discharged with the undertaking that occupiers of the Unit and delivery companies serving it are made aware of the DSMP and operate in accordance with the scheme.

Please note that it is the responsibility of the developer to ensure that all relevant conditions are complied with during the construction and/or subsequent use of the development.

Yours sincerely

Julie Williams
Area Planning Manager
