It can be confirmed that the proposed operation would be lawful for planning purposes on the basis of the drawings received on 22nd August 2019 and 11th October 2019: Drawing No: H1413.02 - Existing Floor Plans

Drawing No: H1413.03 - Existing Elevations and Sections

Sufficient evidence has been provided to demonstrate that a Certificate of Lawfulness should be granted for the proposed single storey rear extension, loft conversion, L-shaped rear dormer and two front Velux roof windows. Therefore the Local Planning Authority can issue the applicant with a Certificate of Lawfulness for the proposed development.

INFORMATIVES

1. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

2. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

3. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that
