Dear Mrs Ross

**RE: PROPOSED WORKS TO ONE SILVER MAPLE AT 33 MALVERN COURT, READING -
SUBJECT TO TREE PRESERVATION ORDER NUMBER 34/01.**

Thank you for your application of 27 October 2019, regarding the above.

Further to my visit on 7 November 2019, I can confirm that the following proposed works, as detailed in your application, are approved subject to the conditions below:

- T13 Silver maple – crown lift to 3m above ground level by removing/reducing minor growth only; remove crossing/rubbing branches and dead wood.

Conditions

1. All tree surgery shall be in accordance with BS 3998: (2010) Tree Work - Recommendations.

Reason: To ensure that all works are carried out in an acceptable arboricultural manner

2. This decision is valid for two years from the date of this notice after which the consent lapses

3. Climbing spikes shall not be used whilst undertaking any form of works on living trees, except on trees to be felled.

Reason: Spikes can cause extensive long-term damage

Informatives

1. Removal of dead or dangerous wood: This does not require the formal consent of the Council. However written notice must be given 5 working days in advance of removing dead wood. Where a branch is deemed to be 'dangerous', i.e. where works are 'urgently necessary to remove an immediate risk of serious harm', you are required to give notice to the Council 'as soon as practicable after the works become necessary'.

2. Disturbance of wildlife: It is an offence under the Wildlife and Countryside Act 1981 (as amended) to disturb roosting bats or nesting birds. It is advisable to consult your tree surgeon/consultant to agree an acceptable time for carrying out any work. Wildlife and habitat controls are administered by Natural England who can be contacted on 0300 060 3900; enquiries@naturalengland.org.uk

3. It is best to avoid works in the period immediately before or during bud burst and leaf fall to minimise the effect on the long-term health of the tree

If you wish to appeal against any of the conditions attached to this consent, please contact the Planning Inspectorate within 28 days of receipt of this letter to obtain the relevant forms:
