

Stowell TPO application to RBC

Ref Specification of works, reasons for works based on arboricultural advice from Neil Wilson

### Specification

#### T.3 Horse Chestnut

Reduce height by removing all growth above the historic pollard knuckles.

Remove the 3 branches emanating from area with the large cavity on stem 1.

### Reasons for works

- To reduce the risk of failure to a reasonable level (please refer to attached report for a more detailed explanation)

### Summary

The proposed works will allow the tree owners, adjacent residents and river users to safely use the area under the tree by reducing the risk of future failure.

This will far out way the any loss of visual amenity.
