INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

2. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

4. The Council's Highways section should be contacted at 19 Bennet Road, Reading, RG2 0QX, telephone: 0118 937 2138, to agree the access construction details and to grant a licence before any work is carried out within the highway. A formal application should be made allowing at least 4 week's notice to obtain details of underground services on the applicants' behalf.

5. To minimise the disturbance by noise of future residential occupiers of the units and its effect on neighbouring residents, residential accommodation must be designed and constructed so as to achieve the insulation requirements set out in Building Regulations Approved Document E.

6. A section 106 Agreement has been completed for this development. A copy of the S106 Legal Agreement is available on the Council's Public Register of Planning.

7. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted (with a *) to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

8. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is CHARGEABLE. If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments. For more information go to:

http://www.reading.gov.uk/media/2791/Community-Infrastructure-Levy-Advice-to-Applicants/pdf/CIL_Advice_to_Applicants.pdf

9. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the agreed extended timescale for the decision to be issued.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
