Head of Planning, Development
& Regulatory Services

Application At: Land adjacent to 2 North Street Caversham Reading RG4 8JA

Application No: 190509

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

Reason: to prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans:

57-1205-C Proposed Site Plan, Plans & Elevations, as received 15/05/19

Reason: because permission is granted in respect of the development as detailed in the approved plans only.

3. * No development shall take place, including any works of demolition, until a Demolition and Construction Method Statement has been submitted to and been approved in writing by the Local Planning Authority to provide for:

- a) space on site where vehicles of site operatives and visitors can be parked with details of how site operatives and visitors will be required to make use of the parking area provided
- b) location on site for storage of plant and materials used in demolishing and constructing the development
- c) the erection and maintenance (including removal of any graffiti or fly posters) of security hoarding around the site
- d) any footpath closures or road closures needed during demolition and/or construction
- e) wheel washing facilities on site
- f) a scheme for recycling waste resulting from the demolition and/or construction works
- g) the provisions to be made for the control of noise and dust coming from the site during demolition and construction.

Date: 29 October 2019

Head of Planning, Development
& Regulatory Services

The measures within the approved Demolition and Construction Method Statement shall be maintained and adhered to throughout the course of the development unless changes are agreed in advance and in writing by the Local Planning Authority.

Reason: in the interests of protecting the amenity of local land uses or neighbouring residents, the character of the area and highway safety, in accordance with Policies CS20, CS34 and CS36 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policies DM4 and DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

4. No dwelling hereby permitted shall be occupied until the bicycle parking facility for that dwelling has been provided in accordance with approved plan 57-1205-C Proposed Site Plan, Plans & Elevations, as received 15/05/19. Thereafter the bicycle parking facility shall be kept free of obstruction and available for the approved use at all times.

Reason: To encourage travel by sustainable alternatives to driving a motorcar in accordance with policies CS23 and CS24 of the Reading Borough LDF Core Strategy 2008 (Altered 2015).

5. No dwelling hereby permitted shall be occupied until the bin storage facility has been provided in accordance with approved plan 57-1205-C Proposed Site Plan, Plans & Elevations, as received 15/05/19. The bin storage facilities shall be retained thereafter for use by occupiers of the dwellings at all times.

Reason: To ensure that sufficient provision is made for the storage of refuse and recyclables and to safeguard the amenity (including visual amenity) of existing nearby / future occupiers / road users from potential disturbance and/or smells and highway safety, in accordance with Policies CS2 and CS7 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policies DM4 and DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

6. No residential unit hereby approved shall be occupied until the Council has been notified in writing of the full postal address of the unit. The notification shall be sent to the Council's Planning Manager quoting the application reference specified on this Notice.

Reason: In order that the Council can update its records to ensure that parking permits are not issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

Date: 29 October 2019

Head of Planning, Development
& Regulatory Services

7. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential unit(s) hereby approved, the prospective occupier/transferee shall be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

Reason: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area, in accordance with Policy CS24 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

8. Prior to occupation of the buildings the existing accesses to the site shall be stopped up and abandoned. The footway(s) and verge shall be reinstated to the satisfaction of the Local Planning Authority.

Reason: In the interests of road safety and maintenance of the highway in accordance with Policy CS20 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM12 of the Sites and Detailed Policies Document 2012 (Altered 2015).

9. The glazing and ventilation shall be installed in accordance with the specifications recommended within the acoustic assessment submitted with the application - Acoustic Assessment by Sound Planning Ref J03665R1, dated 14/03/19, as received 26/03/19.

Reason: to protect the amenity of future occupants of the proposed development in accordance with Policy CS34 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policy DM4 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

10. No change to the unit mix (2x2-bed units) shall be made to the development hereby permitted without written approval from the Local Planning Authority.

Reason: to ensure that the proposed development provides an appropriate range of housing opportunities / dwelling types to meeting requirements for different groups, in accordance with Policy CS15 of the Reading Borough LDF Core Strategy 2008 (Altered 2015).

Date: 29 October 2019

Head of Planning, Development
& Regulatory Services

11. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) no windows other than those shown on the approved plans shall at any time be placed in the first floor level east and west side elevations of the building hereby permitted without the grant of a separate planning permission from the Local Planning Authority.

Reason: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy DM4 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

12. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking or re-enacting that Order with or without modification) no development within Article 3, Schedule 2, Class A (enlargement improvement or other alteration), Class B (enlargement of a dwellinghouse consisting of an addition or alteration to its roof), or Class E (building or enclosure, swimming or other pool required for a purpose incidental to the enjoyment of the dwellinghouse) shall be carried out within the curtilage of any dwelling without express planning permission from the Local Planning Authority.

Reason: Due to the constrained nature of the site and as unrestricted development could harm the amenities of neighbouring properties through overlooking or being overbearing and harm the appearance of the main house and the area in general and should therefore be controlled, in accordance with the requirements of Policy CS7 of the Reading Borough LDF Core Strategy 2008 (Altered 2015) and Policies DM4 and DM11 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015).

INFORMATIVES

1. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

2. The occupiers of the residential unit(s) will not be automatically entitled to an on-street car parking permit. Current and new occupiers should be informed of this and be

Head of Planning, Development
& Regulatory Services

advised to find out more about parking permits on the Council's website. There is already a high level of on street car parking in the area and the site is located close to local facilities, with frequent public transport services on nearby roads.

3. The Council's Highways section should be contacted at 19 Bennet Road, Reading, RG2 0QX, telephone: 0118 937 2138, to agree the access construction details and to grant a licence before any work is carried out within the highway. A formal application should be made allowing at least 4 week's notice to obtain details of underground services on the applicants' behalf.

4. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted.

5. No materials or green waste produced as a result of the clearance of the site, demolition works or construction works associated with the development hereby approved shall be burnt on site.

6. To minimise the disturbance by noise of future residential occupiers of the units and its effect on neighbouring residents, residential accommodation must be designed and constructed so as to achieve the insulation requirements set out in Building Regulations Approved Document E.

7. A section 106 Agreement has been completed for this development. A copy of the S106 Legal Agreement is available on the Council's Public Register of Planning.

8. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted (with a *) to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.

9. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

10. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

11. The Council introduced the Community Infrastructure Levy (CIL) on 1st April 2015. CIL is a way of securing financial contributions towards infrastructure from new

development, and partially replaces the Section 106 planning obligation regime. It is a set charge per sq m of floorspace for different uses, and, unlike Section 106, it is non-negotiable. It applies to developments which result in at least one dwelling; where the space has not been in lawful use for 6 months within the last 3 years or 100 sq m of new floorspace. For this approved development the CIL status is CHARGEABLE. If chargeable you will be sent a CIL Liability Notice with the calculated amount soon. CIL becomes payable on commencement of the development or by instalments. For more information go to:

http://www.reading.gov.uk/media/2791/Community-Infrastructure-Levy-Advice-to-Applicants/pdf/CIL_Advice_to_Applicants.pdf

12. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

www.communities.gov.uk/publications/planningandbuilding/partywall

13. No construction, demolition or associated deliveries shall take place outside the hours of 0800hrs to 1800hrs Mondays to Fridays, and 0900hrs to 1300hrs on Saturdays, and not at any time on Sundays and Bank or Statutory Holidays.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
