Informatives

1. You are advised that this decision is valid for one pruning operation to be undertaken within two years from the date of this letter, after which it lapses and a new notification will be required.

2. Disturbance of wildlife: It is an offence under the Wildlife and Countryside Act 1981 (as amended) to disturb roosting bats or nesting birds. It is advisable to consult your tree surgeon/consultant to agree an acceptable time for carrying out any work. Wildlife and habitat controls are administered by Natural England who can be contacted on 0300 060 3900; enquiries@naturalengland.org.uk

3. It is best to avoid works in the period immediately before or during bud burst and leaf fall to minimise the effect on the long-term health of the tree

If you require any further assistance, please do not hesitate to contact me on the above number.

Yours sincerely
