Dear Mr. Paige,

Planning reference 180334/APPCON
Application to discharge a planning condition
Condition 4 of planning permission 171440/FUL
Leighton Park School, Shinfield Road, Reading

I refer to the above application to discharge a planning condition which appears to still be a live application. The application refers to the submission and approval of a CMS. I understand that the development has been completed and I am not aware of any concerns during the build period.

Accordingly, I can confirm that whilst it is not technically possible to comply with the requirements of the planning condition (and therefore is cannot be discharged), there are no planning concerns and I can confirm that there are no matters which would need to be pursued by planning enforcement proceedings.

I hope this letter is useful for your records, but if you require any further clarification, please do not hesitate to contact me.

Yours sincerely,

Richard Eatough
