Existing Hamilton Centre

PHOENIX COLLEGE REDEVELOPMENT

- Refurbishment and Extension of the existing Hamilton Centre to provide accommodation for a 64 place Special Educational Needs College for 11 – 18 yr olds, replacing existing accommodation on Christchurch Road.
- Joint funded project by Reading Borough Council and Department for Education under PSBP2 (Priority Schools Building Programme)
- Works programmed to commence in June 2020, completing May / June 2021
- Low energy green design includes re-roofing, re-cladding and glazing of existing building plus retention of PV panels on roof.
