- **Proposal 1- A33 near Tesco Distribution after Jct 11 Roundabout going towards Reading**

<https://www.google.com/maps/place/Reading/@51.4196993,-0.9780918,117m/data=!3m1!1e3!4m5!3m4!1s0x48742078d93d3db7:0x2ae19f7fcef7994!8m2!3d51.4542645!4d-0.9781303>

The Screen will be a Maga 6 and with stand at 2 metres high, the screen will be fully IP65 rated with sealed cabinets and no cables showing or accessible,

It will have an auto dimming switch so to reduce the brightness in lower light and night

This will be set at 45% for the daylight hours, 25% at nights

Please Note that the screen illustrations are not to scale nor exact frame design they are of visual purposes only.
