Works:

Ground Control Trained Team to attend site and carry out the following works using 28m MEWP:

- T1 –Wellingtonia - Crown Clean removing any dead or failing branches within canopy to prevent further incidences of limbs falling in high winds.
- Team to use 28m MEWP to safely reach the crown of tree without damaging further branches.
- Car Parking spaces below will require suspension for the day of operation

Works will be completed by fully trained, qualified operatives. Waste will be disposed at a licensed facility unless otherwise specified. Price is inclusive of all labour, materials and delivery charges.

If trees are subject to a Tree Preservation Order or are situated within a Conservation Area, consent will be required from the Local Planning Authority before works can commence. We are happy to make this application on your behalf. Works to neighbouring trees will require the owner's written permission.

Please note that quotations submitted for approval are valid for a period of 30 days, after which time a review may be required.

We hope this meets with your approval and look forward to your instruction, in the meantime if you have any queries please do not hesitate to contact me.

Yours faithfully,
