Application At: 36 Queens Road Reading RG1 4AU

Application No: 181238

Application type: Full Planning Approval

CONDITIONS & REASONS

1. The development hereby permitted shall begin within three years from the date of this planning permission.

Reason: to prevent an accumulation of unimplemented planning permissions, and in accordance with Section 91 of the Town & Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans:

Drawing No: Proposed Elevations and Floor Plans 8278 102 Rev D Received 2nd April 2019

Drawing No: Cycle and Bin Store (and location and block) 8728 104 Received 24th May 2019

Reason: because permission is granted in respect of the development as detailed in the approved plans only.

3. The residential units hereby approved shall not be occupied until the bicycle and waste storage spaces have been provided in accordance with approved plans ref. Drawing No: Cycle and Bin Store (and location and block) 8728 104 Received 24th May 2019. The bicycle and waste storage area shall be retained, as approved, at all times thereafter solely for cycle and waste storage purposes.

Reason: To ensure that adequate provision is made for travel to and from the site by sustainable alternatives to a motorcar and to ensure that sufficient provision is made for the storage and collection of refuse and recyclables, to safeguard the amenity of existing nearby and future occupiers from potential disturbance and/or smells and in the interests of the safety and convenience of all highway users, in accordance with Policies CS2, CS22 and CS24 of the Reading Borough LDF Core Strategy 2008 (altered 2015) and Policies DM4 and DM12 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (altered 2015).

4. Prior to the first occupation of any residential unit hereby approved, a final BREEAM Domestic Refurbishment certificate shall be submitted to and approved, in writing, by

Date: 5 July 2019

& Regulatory Services

the Local Planning Authority, demonstrating that the dwellings achieve at least a 'Very Good' rating.

Reason: To ensure that the development is carried out in accordance with sustainable building standards, in accordance with Core Strategy Policy CS1 and the Sustainable Design and Construction SPD, adopted July 2011.

5. The residential units hereby approved shall not be occupied until the Council has been notified in writing of the full postal address of the units. Such notification shall be addressed to the Council's Planning Manager (Implementation) quoting the planning application reference specified in this Decision Notice.

Reason: In order that the Council can update its records to ensure that parking permits are not issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 of the Core Strategy 2008 (altered 2015) and Policy DM12 of the Sites and Detailed Policies Document 2012 (altered 2015).

6. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential units hereby approved the prospective occupier/transferee shall be informed of the prohibition on entitlement to a car parking permit. All material utilised for advertising or marketing the residential units for letting or sale shall make it clear to prospective tenants and occupiers that no parking permit will be issued by the Council to occupiers of the residential units.

Reason: In order that the prospective occupiers are made aware of the fact that they will not be entitled to an on-street car parking permit, in the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 of the Core Strategy 2008 (altered 2015) and Policy DM12 of the Sites and Detailed Policies Document 2012 (altered 2015).

7. In connection with the implementation of this permission, no works shall take place outside the hours of 0800 to 1800 Mondays to Fridays and 0800 to 1300 on Saturdays. Works shall not take place outside these hours or at anytime on Sundays and Bank Holidays without the prior written approval of the local planning authority.

Reason: To protect the amenity of occupiers of existing nearby properties from noise and disturbance from works connected with implementing this permission, in accordance with Policy CS34 of the Core Strategy 2008 (altered 2015) and Policy DM4 of the Sites and Detailed Policies Document 2012 (altered 2015).

INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but differs materially from the approved plans and details, or does not comply with any condition (s) or planning obligation (s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the council.

2.i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

3. For further information about construction and demolition nuisance law the applicant is referred to:

<http://www.reading.gov.uk/article/2563/Construction--Demolition>

4. These works will require separate approval under the Building Regulations. Please contact the Council's Building Control service for further advice on (0118) 937 2449.

5. The occupiers of the residential units will not be entitled to an on-street car parking permit in the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Core Strategy Policy CS24 and Sites and Detailed Policies document Policy DM12. The site is located close to local facilities, with frequent public transport services on nearby roads. The parking permit conditions above place a requirement that the Council be notified of postal addresses of the residential units before occupation and that the occupiers/transferees to be informed of the prohibition on entitlement to a car parking permit.

6. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer

should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:

www.communities.gov.uk/publications/planningandbuilding/partywall

7. The local planning authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at <https://acp.planninginspectorate.gov.uk/>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
