Dear Ms Davis,

31 Highdown Avenue, Emmer Green

Further to our recent conversations, I wish to confirm your advice that my client's application for a proposed lawful development certificate should be presented to South Oxfordshire District Council, the proposed mobile home being located within that part of my client's property falling within that authority's boundary. despite my client having received verbal advice from South Oxfordshire DC to the contrary.

Accordingly please find enclosed copy of my self-explanatory letter to S Oxfordshire DC. That application supersedes the one to Reading BC, which is hereby withdrawn.

Under the circumstances I should be grateful if you would arrange a refund to my clients of the application fee submitted to Reading BC with the application.

Yours sincerely

Mick Howlett
