

Site: 10 Maytree Walk, Caversham, Reading RG4 6LZ

TPO – 1x mature Eucalyptus situated within neighbouring property – 15 Hawthorne Road, Caversham. A non-native, vigorous species and a very fine specimen with good amenity value.

Specification:

1x Eucalyptus - reduce lateral spread by 3.0m to suitable secondary growth points tapering into height. This will be a proportional reduction (3.0m being the maximum point) that will gradually taper into crown profile, leaving a balanced crown outline.
