

Architectural drawing of the ground floor plan of the 'House of the Future' by Shigeru Ban. The plan shows a long, narrow building with a central corridor and various rooms, including a large hall, a kitchen, a dining area, and a living area. The drawing is labeled 'GROUND FLOOR' at the bottom.

FIRST FLOOR

Architectural floor plan of the second floor. The plan shows a complex layout with multiple rooms, corridors, and a central staircase. Rooms are labeled with numbers and letters, and dimensions are provided for many areas. The plan is oriented with a north arrow pointing towards the top left. The building's footprint is irregular, with a long horizontal section on the right and a more complex, multi-roomed section on the left. The central staircase is a prominent feature, connecting different levels of the building. The overall design is functional and detailed, typical of a professional architectural drawing.
