

Ornamental gates

Traditional design. These handsome steel gates will grace the approach to any property from stately homes to trendy town houses, prestigious offices or public institutions.

- Two classic designs to choose from with three style variations
- Corrosion free hot dip galvanized finish
- Additional colour coatings
- Easily automated for added security and convenience
- Low life time cost
- Environmentally friendly with a 25 year Service Life Guarantee

Ornamental gates are available in two designs:

- Arched top ornamental
- Level top ornamental

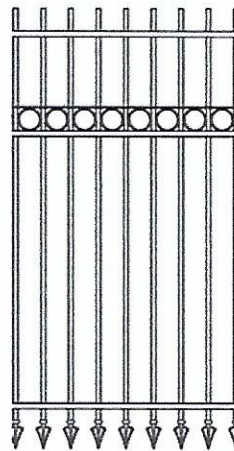

THIS IS THE STYLE WE WOULD LIKE :

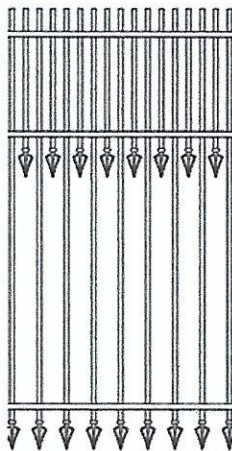

Arched Top Ornamental swing gate - Style A

With three styles:

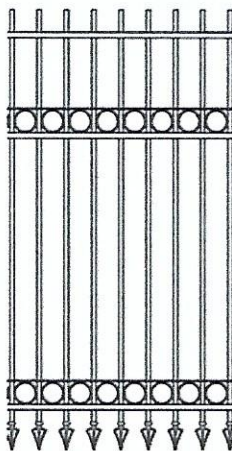

Standard:
Decorative rings are inserted between pales at the bottom.

Style A:
Short additional pales with a final top have been inserted between the pales at the bottom of the gate.

Style B:
Decorative rings are inserted between the pales at the top and the bottom.

Specification

Constructed in corrosion free hot dip galvanized steel which is virtually unaffected by weather. They are usually supplied with an additional polyester powder coating, in a choice of standard colours, green, black, white, blue or grey (other colours available on request).

Level Top Ornamental swing gates - Style B

Single ornamental gate - Style A
