Dear Mr. Waheed,

Application ref. 191397/APPCON
Application to discharge a planning condition
Condition 10 of planning permission 171808/FUL
Central Jamme Mosque, 18/18a Waylen Street, Reading

I refer to the above application to discharge a planning condition and respond as follows:

Condition 10 (bin storage)

Condition 10 requires the submission of waste storage details, including type of bins and frequency of location, within three months of the date of the above planning permission.

On 23 August 2019, you submitted plan 786/WA/PP-400 'Refuse Storage', which shows 4x 240-litre bins (2x refuse; 2x recycling); an iron railing detail and details of collection arrangements. The above is considered to be suitable for the purposes of Condition 10, which is hereby discharged, providing that the development is carried out in accordance with approved details within one month of the date of this letter and retained in accordance with such thereafter.

Yours sincerely,

Richard Eatough
