Dear Mr. Loucas,

**180865/HOU: Single storey rear extension
26 Haywood Way, Reading**

I refer to the above planning application. For the reasons set out in various communications to you recently, it has become clear to officers that there is no evidence that this planning application is to be pursued.

The application has been effectively dormant for some time now and no attempt has been made by yourselves to appeal to the Secretary of State on the grounds of non-determination within the prescribed timescale. I note that the expiry date of this application was 31 July 2018.

In accordance with Article 40(13) of the Town and Country Planning (Development Management Procedure) Order 2015, please take this letter as formal confirmation that the Council has now Finally Disposed of your planning application.

Should you wish to pursue the/a proposed development, you would need to make a fresh planning application.

Yours sincerely,

Richard Eatough
Acting Development Management Team Leader
