CONDITIONS & REASONS

1. The development hereby permitted shall begin within three years from the date of this planning permission.

The development shall be carried out using only the approved materials.

Reason: as no details have been submitted and in the interests of the visual appearance of the building and the area in accordance with Policy CS7 and CS33.

 - Ground Floor Existing & Proposed Plans - Drawing no: A-1010 Rev D, received 29th April 2019

 - Bin, Cycle Store and Parking - Drawing no: A-1700 Rev D, received 10th January 2019
- Reason: because permission is granted in respect of the development as detailed in the approved plans only.

4. The existing parking spaces, as shown on the approved plan, to be kept available for parking at all times thereafter.

Reason: To ensure that the development is provided with adequate parking facilities to meet the needs of future occupiers and reduce the likelihood of roadside parking which

& Regulatory Services

could be a danger to other road users to accord with Policy CS24 & CS24 and Policy DM12.

5. The bicycle parking facility shown on the approved plans shall be provided within 1 month of the date of this permission and the facility shall be kept available for bicycle parking at all times thereafter.

Reason: To encourage travel by sustainable alternatives to driving a motorcar in accordance with the Local Planning Authority's approved transport policies CS23 and CS24.

6. The bin storage facility shown on the approved plans shall be provided within 1 month of the date of this permission, and the bin storage facility shall be retained thereafter for use by occupiers of the building at all times.

Reason: in the interests of the visual amenity of the area and to ensure that bins can be easily accessed when required in accordance with Policy CS7.

7. The use at ground and first floors hereby approved shall be restricted to a maximum of ten residents at any one time.

Reason: As an increase in the number of occupants could impact on the amenity of existing and future occupiers of the property and neighbouring properties in accordance with Policy DM4 and Policy DM8.

8. The age of residents at first occupation is to be restricted to a minimum age of 55 years.

Reason: to ensure that the accommodation needs of the elderly are provided for in accordance with Policy DM7 of the Adopted Sites and Detailed Policies Document (2012, altered 2015)

9. The rooms, as shown on approved drawing:

First Floor Plans Existing & Proposed Plans - Drawing no: A-1020 Rev C

to be for communal use, shall be retained for communal use for so long as the property remains in use as C2 assisted living.

Reason: To ensure that an adequate standard of amenity and living space is provided for the residents in accordance with Policy CS18 of the Reading Borough LDF Core Strategy 2008 (Altered 2015); Policy DM8 of the Reading Borough LDF Sites and Detailed Policies Document 2012 (Altered 2015) and the Residential Conversions Supplementary Planning Document (November 2013).

10. No residential unit hereby approved shall be occupied until the Council has been notified in writing of the full postal address of the unit. The notification shall be sent to the Council's Planning Manager quoting the application reference specified on this Notice.

Date: 3 May 2019

Head of Planning, Development
& Regulatory Services

Reason: In order that the Council can update its records to ensure that parking permits are not automatically issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 and Policy DM12.

11. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the residential unit(s) hereby approved, the prospective occupier/transferee shall be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

Reason: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy CS24 and Policy DM12.

INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.

2. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact Building Control on 0118 937 2449 for advice.

3. i) The attention of the applicant is drawn to Section 59 of the Highways Act 1980, which enables the Highway Authority to recover expenses due to damage caused by extraordinary traffic.

ii) Any works affecting the Highway shall be in accordance with Reading Borough's Council's document "Guidance Notes for Activities on the Public Highway within the Borough of Reading". The applicant should note that compliance with this document is

mandatory and licences to work on the Highway will only be issued if the requirements contained within it are met. A copy can be obtained from the Council's website.

4. The Council expects all properties in HMO use to be properly managed in accordance with requirements under the Housing Acts and associated regulations. The Council publishes comprehensive information in its Houses in Multiple Occupation Management Pack,

[Management-Pack.pdf](http://www.reading.gov.uk/media/1412/HMOs-Management-Pack/pdf/HMOs-Management-Pack.pdf). Landlords/ owners are advised to follow the advice in the pack to ensure compliance with the requirements of the Housing Acts. Landlords/ owners are advised that a property specific management plan should be drawn up. This plan should be given to all occupants/tenants, preferably as part of their tenancy agreement or contract. The operation of the property should be undertaken in accordance with the approved management plan.

A good management plan will include matters related to:

- Responsibilities and standards for the management of internal communal areas including kitchens, dining areas, living rooms and shared bathrooms;

- Responsibilities and standards for the management of common parts, fixtures, fittings and appliances. These must be maintained in good and clean decorative repair, maintained in a safe and working condition and kept reasonably clear from obstruction, e.g. banisters and handrails, stair coverings, windows, lighting, gardens and yards, walls and fences, etc.;

- Responsibilities and standards for the management of external areas in terms of landscaping, maintenance and tidiness, in particular areas visible from the public highway or street. This will include matters relating to the erection of Satellite dishes and television aerials;
- Responsibilities and standards for the use and tidiness of bins, bin stores, and rubbish in the use of the property along with appropriate facilities to enable the recycling of waste that meets the Council's current practices;

- Responsibilities and standards for the parking of cycles.

- An undertaking to ensure all occupants/tenants will be provided with a copy of the management plan as part of their tenancy agreement or contract and the importance of complying with its measures emphasised;

Where a condition is imposed requiring the submission and approval of a management plan (usually for larger "sui generis" HMO uses), the Local Planning Authority will expect all the above matters to be addressed

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits.

If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at <https://acp.planninginspectorate.gov.uk/>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Street Naming & Numbering

You must contact Reading Borough Council to:

- Name or number a new development
- Name a new street
- Get addresses for flat conversions
- Name or rename an existing building

Otherwise the following may occur:

- You will not have an official address or postcode. When your property goes through the official process it may be given a different address and Postcode than you are currently using.
- You may have difficulty receiving mail
- You may have problems when buying goods or services such as utilities and telecommunications
- The emergency services may have difficulty locating you.
- You may have problems accessing Council services such as Education, Parking Services and Electoral Registration.

The Council is responsible for assigning house names and numbers and street names. It is also responsible for updating the National Land and Property Gazetteer (NLPG) which is a list of addresses which meet a common standard (BS7666) used throughout the country.

When a new address or change of address is requested, the Council contacts Royal Mail who check the address on behalf of the Emergency Services, assign a postcode and add it to their Postal Address File (PAF). The PAF list is used by many companies and services to check addresses, authenticate transactions and order goods, as well as deliver mail, so it is in your interest for your address to be on that list. Royal Mail will not create an address until requested to do so by the Council.

How to apply:

Email us using streetnamingnumbering@reading.gov.uk

Or telephone us on 0118 9373737

What we need to complete your request:

For new addresses or flat conversions:

- Site layout plan containing plot numbers
- Location plan - No bigger than A3 size (hard copy, PDF, JPEG or AutoCAD) showing the site boundary, including the new development, together with surrounding buildings for reference
- Anticipated completion and occupation dates

For change of address:

- You must be, or have authorisation from, the owner to request a change of address.
- Floor plan of the existing property
- Reason for change

Once created, the Council informs various bodies of your new address including the Emergency Services, Council Tax, Land Registry and utility companies as well as adding it to the National Land and Property Gazetteer.

Please be advised that companies and services using the PAF file only update the addresses monthly, quarterly or even less frequently, therefore it may take a while for your address to be listed in some places. It will, however, appear on the Royal Mail website within a few days once it has been added to the live address file.

Reading Borough Council has no control over the frequency by which other organisations update their address files.
